

JAWAHARLAL NEHRU UNIVERSITY
NEW DELHI – 110 067

ADVT. NO. RC/39/2009

The JNU has openings for various faculty positions at the level of Professor, Associate Professor and Assistant professor in the areas of specialization and desirable qualification as indicated against each. The essential qualifications/scales of pay for these positions are as under:

ESSENTIAL QUALIFICATIONS/SCALES OF PAY:

PROFESSOR (Rs. 37,400 – 67,000 with Academic Grade Pay of Rs. 10,000)

An eminent scholar with a doctoral degree, published work of high quality, and actively engaged in research with 10 years of experience in post-graduate teaching and/or research at the University/National Level institutions, including experience of guiding research at doctoral level; **OR** an outstanding scholar with established reputation, who has made significant contribution to knowledge. In exceptional cases, teachers with 15 years of under-graduate teaching/research experience could also be considered. Candidates should have obtained at least 55% marks at the Master's level. The minimum requirement of 55% shall not be insisted upon for the existing incumbents who are already in the University System. However, the requirement of 50% marks at the Master's level shall be insisted upon only for those incumbents who may have entered the University system after 27.11.2001. For those entering from outside the University System, the minimum requirement of 55% shall be insisted upon.

Notwithstanding the above, a relaxation of 5% may be provided from 55% to 50% of the marks to the Ph.D. holders who have passed their Master's Degree prior to 19th September, 1991.

ASSOCIATE PROFESSOR (Rs. 37,400 – 67,000 with Academic Grade Pay of Rs. 9,000)

Good academic record with a doctoral degree or equivalent published work. In addition to these, candidates who join from outside the University system should have at least 55% marks or an equivalent grade 'B' in the 7-point scale with letter grades O, A, B, C, D, E & F at the Master's level. The minimum requirement of 55% shall not be insisted upon for the existing incumbents who are already in the University System. However, the requirement of 50% marks at the Master's level shall be insisted upon only for those incumbents who may have entered the University system after 27.11.2001; five years of experience of teaching and/or research (excluding the period spent for obtaining the research degree) and has made some mark in the areas of scholarship as evidenced by quality of publications, contribution to educational innovation, designing of new courses and curricula.

ASSISTANT PROFESSOR (Rs. 15,600 – 39,100 with Academic Grade Pay of Rs. 6,000)

Good academic record and Master's degree with at least 55% marks (50% marks for SC/ST/PH candidates and for those Ph.D degree holders who have passed their Master's degree prior to 19.09.1991) or an equivalent grade 'B' in the 7-point scale with letter grades O, A, B, C, D, E & F at the Master's level in the relevant subject from an Indian University or an equivalent degree from a foreign University. Besides fulfilling the said qualifications, NET shall remain a compulsory requirement for appointment as Assistant Professor for those with post-graduate degree. However, the candidates having Ph.D. degree in the concerned subject are exempted from NET. NET shall not be required for Master's Programmes in disciplines for which there is no NET.

Note: The above essential qualifications are subject to Regulations as received from MHRD/UGC from time to time.

JAWAHARLAL NEHRU UNIVERSITY

NEW DELHI-110067

ADVT. NO. RC/39/2009

The JNU has openings for various faculty positions in the areas of specialization as indicated against each. The essential qualifications/scales of pay for these positions will be as per the UGC guidelines.

SCHOOL OF ARTS & AESTHETICS

01 Professor in Visual Studies (**Reserved for SC**)
Specialization in Indian Popular Visual culture; and/or Anthropology of Art – covering new approaches and theories in relation to folk and tribal arts, crafts and decorative arts and textiles.

02 & 03 Professor in Cinema Studies (Two Posts)
(**One reserved for SC**)

Ph.D in Cinema Studies. Teaching & Research Experience/Publications in Cinema Studies.
Book/journal publications in the field of Cinema Studies is desirable.

04 Associate Professor in Dance/ Theatre/ Folk/ Tribal Studies (Theatre and Performance Studies)
(**Reserved for SC**)

M.A. & Ph.D in related areas/Social Sciences. Teaching & Research experience.
Book/journal publications in the area of Dance/ Theatre/ Folk/ Tribal Studies concerning history for dance/theatre; Practical experience in one of the dance forms is desirable.

05 Assistant Professor in Cinema Studies
M.A./M.Phil degree in Cinema Studies

SCHOOL OF COMPUTER AND SYSTEMS SCIENCES

06 & 07 Professor (Two Posts)
(**One reserved for PH-VH**)

Ph.D in Computer Science or allied areas.
Proven record of research and publications in reputed journals and refereed conference proceedings.

08 Associate Professor

Ph.D. in Computer Science/ Electronics/ Electronics & Communication.

09 - 15 Assistant Professor (Seven Posts)

(**One reserved for PH-HH ;One for OBC; One for SC and One for ST**)

M.Phil/M.Tech. in Computer Science/ Electronics/ Electronics & Communication.

Ph.D. in Computer Science/ Electronics/ Electronics & Communication.

Specialization in Theoretical Computer Science, Programming Languages, Databases, Systems Programming, Software Engineering, Computer Architecture, Computer Networks, VLSI Technology, Embedded Systems, Image Processing, Pattern Recognition, Robotics, Language Technology, Communication Theory, Parallel and Distributed Systems, Artificial Intelligence and Machine Learning, Optimization, Multimedia Systems, Web Technologies, Modeling and Simulation.

(**Specialization common for post No. 06 to 15**)

SCHOOL OF BIOTECHNOLOGY

16, 17 & 18 Associate Professor in Biotechnology (Three Posts)

(**One reserved for PH-OH and One for SC**)

Specialisation in Plant Biotechnology/Enzyme and Protein Engineering/ Medicinal Chemistry/ Bio-organic Chemistry/ Oncology/ Immunology.

Research experience in the area, evident from publication in the Journals of International repute and Demonstration of the ability to attract extramural funding is desirable.

SCHOOL OF INFORMATION TECHNOLOGY

19 Professor

Ph.D. in the area of Science or Engineering with specialization in Computational Biology/Systems Biology, Natural Language Processing, Optimization Data Mining and Machine Learning. At least 10 years experience in teaching and Research. Candidates must have demonstrated capabilities in terms of research publications in high impact journals/international conference proceedings and/or related experience in industrial setting.

Specialisation in any area of Information Technology with applications in natural and Social Sciences are encouraged to apply. Experience of teaching at the post Graduate level and/or research at a University/National level Institution, including experience of guiding research at Doctoral level is desirable.

20, 21 & 22 Associate Professor (Three Posts)

(**One reserved for ST**)

Ph.D. in the area of Science or Engineering with specialization in Computer Science, Mathematics, Statistics, Computational Neuroscience, Algorithm, Database Mining and Artificial Intelligence, Computational Biology/Systems Biology, Diseases Modeling, Chemoinformatics, Internet-related technologies are encouraged most welcome to apply. At least 5 years experience in teaching and/or Research in related area. Candidates must have demonstrated capabilities in terms of research publications in high impact journals/international conference proceedings and/or related experience in industrial setting.

SCHOOL OF ENVIRONMENTAL SCIENCES

23 Professor/Associate Professor

Consistently good academic record with Ph.D. or equivalent degree in Physics/Applied Physics/ Geophysics/ Agricultural Physics/ Meteorology/ Mathematics/ Statistics/ Environmental Sciences; Experience of teaching and guiding research; High quality research contributions in the area(s) of Meteorology /Environmental Modeling/ Environmental Management.

24 Professor/Associate Professor (Reserved for SC)

Consistently good academic record with Ph.D. or equivalent degree in Geology/ Applied Geology/Earth Sciences/ Environmental Sciences; Experience of teaching and guiding research; High quality research contributions in the area(s) of Engineering Geology/ Environmental Impact Assessment/ Mining/ Environmental Management/Natural Hazards and Disasters/Desertification/Oceanography

25 Professor/Associate Professor

Consistently good academic record with Ph.D. or equivalent degree in any subject of Biological Sciences/Life Sciences/Agricultural Sciences/ Forestry/ Environmental Sciences; Experience of teaching and guiding research; High quality research contributions in an area relevant to Environmental Conservation/ Environmental Restoration/ Bioremediation/ Management of Biological Resources/ Environment and Human Health

26 Associate Professor (Reserved for ST)

Consistently good academic record with Ph.D. or equivalent degree in Chemistry/ Applied Chemistry/ Environmental Sciences; Experience of teaching and guiding research; High quality research contributions in an area relevant to Environmental Management/Natural Products/ Solid and Hazardous Waste Management.

**27 Associate Professor (Reserved for SC)
(Backlog Reserved Vacancy)**

M. Sc. in environmental sciences or in any branch of physical/chemical/biological/geological sciences. Ph.D. in any field related to Environmental Sciences. Candidate should have a proven record of independent research work in any area relevant to Environmental Geosciences, Environmental Pollution, Environmental Biology, Environmental Health, Biodiversity and conservation.

28 Associate Professor

M.Sc. & Ph.D. in any scientific discipline with proven ability to carry out research and teaching in the area(s) of Biological Dimensions of Global Environmental Change/ Environmental Services/Wildlife Ecology.

29 Assistant Professor (Reserved for SC)

Ph.D. in Physics/Applied Physics/Agricultural Physics/ Meteorology/ Mathematics/ Statistics/ Environmental Sciences; High quality research contributions in the area of application of Physics/Mathematics/Statistics based tools/ techniques to study Environmental Processes/ Resource Dynamics/Ecological Systems/Environmental Systems/ Environmental Health and Safety.

(Applicants are required to enclose the copies of their research publications).

SCHOOL OF PHYSICAL SCIENCES

30 & 31 Associate Professor in Chemistry (Two Posts)
(One reserved for ST)

32 & 33 Assistant Professor in Chemistry (Two Posts)
(One reserved for OBC)

The research emphasis of the School has been on the topics of Chemical Physics, Computational Physics, Condensed Matter Physics, Disordered Systems, Granular Materials, Mathematical Physics, Non-equilibrium Statistical Mechanics, Nonlinear Dynamics, Probability Measure, Quantum Chaos, Quantum Optics, Statistical Nuclear Physics, and String Theory. Experimental areas include Complex Fluids, Materials Science, Superconductivity, Magnetism, Nonlinear Optics, Semiconductors, Polymers and Nanoparticle Physics.

The School has recently commenced research in the areas of Supramolecular & Materials Chemistry, Ultrafast Laser Spectroscopy and Ultrafast Fluorescence Microscopy. The School is interested in initiating research in the frontier areas of Organic, Inorganic and Physical Chemistry, such as Theoretical and Polymer Chemistry, X-ray Crystallography, NMR spectroscopy, etc. Outstanding candidates in all areas of Experimental and Theoretical Chemistry are encouraged to apply.

(Specialization common for post No. 30 to 33).

34 & 35 Assistant Professor in Mathematics (Two Posts)
(One reserved for OBC)

The School has recently commenced research in the areas of Algebra, Number Theory, Elliptic Curves and Modular Forms; Lie Groups and Probability, Ergodic Theory and Dynamical Systems. Prospective candidates should have Ph.D. in Pure Mathematics with published research work. However, outstanding candidates in all areas of Mathematics are encouraged to apply.

SPECIAL CENTRE FOR MOLECULAR MEDICINES

36 & 37 Professor (Two Posts)

38 - 42 Associate Professor (Five Posts)

(One reserved for SC and One for ST)

Specialisation in Bioinformatics/Structural Biology and Drug Designing, Medicinal and Process Chemistry, Genetics, Neurobiology, Oncology, Immunology, Systems Biology, Molecular Diagnostics, Molecular Pharmacology, Stem Cell Biology & Tissue Engineering, Viral & Parasitic Diseases.

Ph.D. with appropriate post-doctoral experience in the above area(s) of molecular medicine as evident by excellent and consistent publication record in the relevant fields. Medical graduates with significant contribution in specified areas of research are highly encouraged to apply. For such medical professionals, MBBS/ BVSc or equivalent with MD/ MVSc/ Ph.D and publications in international peer reviewed journals in relevant subjects is essential.

Applicants must be strongly motivated towards creative research and teaching.

(Specialization common for post No. 36 to 42).

ADVANCED INSTRUMENTATION FACILITY – USIC

43 Professor

Master's degree in Physics/Biophysics/ Chemistry/ Chemical Engineering or allied areas with at least B+ grade or equivalent followed by a Ph.D. degree in the relevant area. At least 15 years experience of research/teaching in a university/ research organization or a laboratory of repute. The candidates must have experience related to X-Ray Diffraction, Radiation Physics and Characterization of materials using SEM/TEM/XRD/FTIR/NMR etc. The candidates must have hands on experience of working in these techniques as evident from the published work and experience.

Working experience with above mentioned equipments as evident from the publications is desirable.

44 Associate Professor

Master's degree in Physics/ Biophysics/ Chemistry/ Chemical Engineering or allied areas with at least B+ grade or equivalent followed by a Ph.D. degree in the relevant area.

At least 8 years experience of lecturer/ scientist or in equivalent position in a university/ research organization/laboratory of repute. The candidates must have experience related to X-Ray Diffraction, Radiation Physics and Characterization of materials using SEM/TEM/XRD/ FTIR/NMR etc. The candidates must have hands on experience of working in these techniques as evident from the published work and experience.

Working experience with above mentioned equipments as evident from the publications is desirable.

SPECIAL CENTRE FOR SANSKRIT STUDIES

45 Professor (Reserved for ST)

Eminent Scholar in Sanskrit Studies.

46 Associate Professor (Reserved for SC)

Specialization in Sanskrit Studies.

47 & 48 Assistant Professor (Two Posts)

(One reserved for OBC)

Specialization in Sanskrit Studies

CENTRE FOR THE STUDY OF LAW AND GOVERNANCE

49 Professor (Reserved for SC)

Law with special focus on Jurisprudence, Constitutional & Labour Laws. The incumbent should have expertise in inter-disciplinary research.

50 Professor (Reserved for SC)

51 & 52 Associate Professor (Two Posts) (One reserved for PH-VH)

Ph.D. in relevant social science discipline.
Specialisation in Governance and Development; Markets and Governance; Socio-Legal Studies, Economic Analysis of Law; and Technology, Law and Society.
Expertise in and/or teaching experience of Research Methods would be an added advantage.

(Specialization common for post No. 50 to 52)

ACADEMIC STAFF COLLEGE

53 Assistant Professor/Assistant Director (Reserved for ST)

Master's Degree in Arts/Science/Humanities.
Research Experience of minimum three years in reputed academic institution; working knowledge in computer applications.
Experience and knowledge in editing academic publications; experience in coordinating academics programs, seminars and conferences is desirable.

SCHOOL OF INTERNATIONAL STUDIES

Group of Comparative Politics & Political Thought

54 Assistant Professor in Political Theory/ Comparative Politics
(i) M.A. in Social Sciences, (ii) M.Phil or equivalent publications.
Specialisation in Political Theory/ Comparative Politics.

55 Assistant Professor in Indian Politics (Reserved for OBC)

(i) M.A. in Social Sciences (ii) M.Phil or equivalent publications.
Specialisation in Indian Politics.

Centre for International Trade and Development

56 Professor in Economics
Specialisation in Macroeconomic Theory/ Econometric Theory/ Economic Development Theory/ Finance/ Environmental Economics.
Other things remaining the same, preference will be given to the candidate with specialisation in the first three of the above specified areas; i.e. Macroeconomic Theory, Econometric Theory and Economic Development Theory.

Centre for East Asian Studies

57 Professor in Chinese Studies (Reserved for PH-VH)
(i) Ph.D. in Chinese Studies; (ii) Familiarity with Chinese Language with Field Experience in China; (iii) Publications on China; (iv) 10 years of Research and/or 5 years teaching experience.
Specialisation in Chinese Economy or Foreign Policy.

58 Professor/ Associate Professor/ Assistant Professor in Japanese Studies (Reserved for SC)

59 Professor in Japanese Studies
(i) Ph.D. in Japanese Studies; (ii) Familiarity with Japanese Language with field experience in Japan; (iii) Publications on Japan; (iv) Ten years of research and/or Five years of teaching experience.
Specialization in Japanese Economics
(Specialization common for post no. 58 & 59)

60 Associate Professor in Chinese Studies (Reserved for SC)

(i) M.A. in Social Sciences (Political Science/ Economics/ History/ International Relations); (ii) M.Phil/Ph.D. in Chinese Studies; (iii) Knowledge of

Chinese Language; (iv) Five years of research and/or teaching experience.
Expertise on Chinese Economy.

61 Associate Professor/Assistant Professor in Korean Studies (Reserved for ST)

(i) M.A. in Social Sciences (Political Science/ Economics/ History/ Sociology/ International Relations); (ii) M.Phil/Ph.D. in Korean Studies; (iii) Knowledge of Korean Language; (iv) 5 years of Research and/or teaching experience.
Specialization in Korean Economy, Foreign Policy or Society.

Centre for International Politics, Organization and Disarmament

62 Professor in Political Geography (Reserved for ST)
Strong background in theoretical aspects of political geography and/or critical geopolitics.

63 Associate Professor in International Organization (Reserved for SC)
Strong background in theoretical aspects of international organization with specialization in trade-related international organizations or international non-governmental organizations.

64 Associate Professor in International Politics (Reserved for ST)
Strong background in IR theory with specialization in social constructivism and/or globalization studies.

65 Associate Professor in Diplomatic and Disarmament Studies (Reserved for PH-VH)
Strong background in Diplomatic Studies with specialization in International Environmental Negotiations or Business Negotiations or Conference Diplomacy.

66 Associate Professor in Diplomacy and Disarmament Studies (Reserved for SC)
Strong background in arms control, disarmament and non-proliferation issues with high quality research/publications on one or more of the following areas: multilateral arms control, arms control diplomacy, export control treaties/regimes and India's policies.

Centre for South, Central, Southeast Asian and Southwest Pacific Studies

67 Associate Professor in South Asian Studies
M.A. in Economics/Politics; Ph.D in Political Economy/ Economic/Political issues of South Asia.
Knowledge of any language in South Asia/ Environmental Economic/Political Issues.

68 Associate Professor in Southeast Asian Studies
Knowledge of any of Southeast Asian languages is desirable.

69 Assistant Professor in South West Pacific Studies
Knowledge of Society and Politics in South West Pacific is desirable.

Centre for Canadian, US and Latin American Studies

70 Professor/Associate Professor in American Studies (Reserved for SC)
(i) M.A. in History; (ii) Ph.D. in North American 20th Century Social History.
Post-graduate teaching experience in American History; and Relevant Research Publications is desirable.

71 Professor/Associate Professor in Latin American Studies

(i) M.A. in Political Science/International Studies; (ii) Ph.D. in Latin American Studies with research and published work on contemporary domestic politics/foreign policy of the region/specific country; (iii) Research and published work on contemporary socio-political issues in Latin America; (iv) Experience of teaching/research guidance.

Specialisation in Latin American Studies

72 Associate Professor/Assistant Professor in American Studies

M.A. in Sociology and Ph.D. in American Studies. Specialisation in American Sociological Studies.

73 Associate Professor/Assistant Professor in Latin American Studies **(Reserved for ST)**

(i) M.A. in Political Science/International Studies/Humanities; (ii) Research and published work on contemporary Circum-Caribbean domestic issues and/or on major South American countries.

M.Phil/Ph.D. in Latin American Studies is desirable.

74 Assistant Professor in American Studies

M.A. in Social Sciences and M.Phil in American Studies. Ph.D. in American Studies is desirable.

Centre for European Studies

75 Associate Professor in European Studies **(Reserved for SC)**

M.A. in Political Science/ International Studies; Ph.D. in European Studies.

Centre for Russian and Central Asian Studies

76, 77 & 78 Associate Professor in Russian, Central Asian/ CIS Studies (Three Posts)

(Two reserved for SC)

M.A. in any discipline of Social Sciences.

Desirable: (i) 5 years teaching/ research experience as Assistant Professor or equivalent published work (excluding Ph.D. research) (ii) Ph.D in Soviet/CIS Studies (iii) Working knowledge of Russian language; (iv) Publication in refereed journals and/or edited volumes

Centre for International Legal Studies

79 Professor/Associate Professor in International Law **(Reserved for PH-OH)**

(Backlog Reserved Vacancy) Other categories of PH can also apply

LL.M. in International Law; Ph.D. in Public International Law from a reputed University; Minimum 10 years post-graduate teaching experience in International Law; Experience in research supervision is essential; Excellent publications record including articles in reputed international law journals; Specialization in International Humanitarian Law.

80 Associate Professor in International Law

LL.M. in International Law; Ph.D. in Public International Law from a reputed University; Minimum 5 years post-graduate teaching experience in International Law; Experience in research supervision is essential; Excellent publication record including articles in reputed international law journals. Specialization in International Settlement of Disputes.

81 Assistant Professor in International Law

(Reserved for SC)

LL.M. in International Law; Ph.D. in Public International Law from a reputed University; Experience in post-graduate teaching in international law is essential; Strong publication record including articles in reputed international law journals.

SCHOOL OF SOCIAL SCIENCES

Centre for Economic Studies and Planning

82 Professor (Reserved for SC)
(Backlog Reserved Vacancy)

83 Associate Professor (Reserved for PH-VH)
(Backlog Reserved Vacancy) Other categories of PH can also apply.

84 & 85 Assistant Professor (Two Posts)

(One reserved for OBC)

Econometrics/Theoretical Economics/ Applied Economics

(Specialization common for post No. 82 to 85).

Centre for Historical Studies

86 Professor (Shaheed Bhagat Singh Chair)

(Tenure post) (Reserved for ST)

The Study of anti-colonial struggles and movement for social emancipation

87 Associate Professor

Social history of Medieval India with demonstrated capability in the use of Persian Language

88 Assistant Professor (Reserved for ST)

Modern history with a capacity and willingness to teach, and preferably specialize in, histories of countries other than India.

Centre for Political Studies

89 Assistant Professor in Political Science
(Reserved for OBC-VH)

90 Assistant Professor in Political Science

(Reserved for SC)

Specialisation in Indian Politics and/or Public Policy or Comparative Politics and/or International Relations

Centre for the Study of Social Systems

91 Professor

(i) Master's degree in Sociology or allied discipline; (ii) Ph.D in Sociology/Social Anthropology; (iii) At least 10 years teaching at post graduate level or research in University or Institution of national importance; (iv) Experience in research guidance indicated by number of Ph.D. degrees awarded to students; significant contribution to knowledge development and teaching research; (v) Adequate publication of books and articles in refereed journals; (vi) the candidate must be willing and able to teach the course in any of the specified area of specialisation.

Specialization in Economy and Society/ Corporate Sociology/ Development Studies and Globalisation.

92 Associate Professor (Reserved for ST)

(i) Master's degree in Sociology or allied discipline; (ii) Ph.D. in Sociology/Social Anthropology; (iii) 5 years teaching experience at post graduate level or research in University or Institution of national importance; (iv) Three papers in refereed journals in area of specialization; (v) The candidate must be willing and able to teach the course in any of the specified areas of specialization.

Specialisation in Economy and Society/Industrial Sociology/ Development Studies/ Globalization.

93, 94 & 95 Assistant Professor (Three Posts)

(Two reserved for SC)

(i) Master's degree in Sociology or Social Anthropology; (ii) Ph.D. in Sociology/Social Anthropology; (iii) Ability to teach in any of the papers offered at the M.A. level at the Centre.

Centre for Studies in Science Policy

96 Professor/Associate Professor

An eminent Scholar with Master's in Science policy studies/ economics/ political science/history or any branch of science/engineering/management/law and Ph.D. in science policy studies or related area with published work of high quality in science policy studies, actively engaged in research with 10 years of experience in post-graduate teaching and research (excluding the years of research leading to Ph.D.) at the University/National Level institutions, including experience of guiding research at doctoral level; in at least two areas/fields/specializations of science policy studies (technological change and innovation systems; policy for emerging technologies like biotechnologies, globalization and development; intellectual property rights, history of science/technology/ environment).

97 Assistant Professor (Reserved for OBC)

A candidate with good academic record with master's degree in economics/political science or any branch of science/engineering/ management/law and Ph.D. in science policy studies or any of the related areas such as technological change and innovation system, technology assessment & foresight studies, intellectual property rights, science, technology and international affairs or an area with a sectoral focus like energy/ biotechnology/pharmaceutical policies.

Centre for Social Medicine and Community Health

98 & 99 Assistant Professor in Community Health (Two Posts) (**One reserved for PH-HH**)

(i) MBBS with 55% marks, and MD or MCH/ MPH in Community Health; (ii) Publications in the area of Community Health.

Ph.D. in Public Health/Community Health after MBBS is desirable.

Centre for the Study of Regional Development

100 Professor in Population Geography/ Settlement Geography (**Reserved for SC**)

101 Professor in Economic Geography (**Reserved for PH-HH**)

101(a) Associate Professor/Assistant Professor in Economics (**Reserved for SC**)

Specialization in: Regional Economics/Urban Economics

102 Assistant Professor in Human Geography

103 Assistant Professor in Social Geography/ Economic Geography (**Reserved for OBC**)

(i) Specialization in the related area; (ii) Proven evidence of having done outstanding research in the concerned field as related to regional development in India.

(Specialization common for post No. 100 to 103)

104 Assistant Professor in Population Studies (**Reserved for OBC**)

(i) Ph.D. or equivalent published work in Geography/ Economics/Sociology/Statistics/Population Studies; (ii) M.A. in either of the subjects.

Experience of teaching and/or research in population studies with reference to mortality, reproductive health or environment is desirable.

Zakir Husain Centre for Educational Studies

105 Professor/ Associate Professor/ Assistant Professor in Education Policy Studies (Tenure Post upto 31.3.2011) (**Reserved for SC**)

(i) Masters Degree in Social Sciences including Commerce; (ii) Research specialization in Educational Studies; (iii) Evidence of interest in Multidisciplinary areas of Education Policy.

106 Assistant Professor in Sociology of Education (**Reserved for SC**)

M.A. in Sociology/Social Anthropology with at least 55% marks. Lectureship Eligibility Test conducted by UGC.

(i) M.Phil/Ph.D. Degree; (ii) Evidence of interest in Sociology/ Social Anthropology/ Inter-disciplinary research; (iii) publication in Sociology of Education will be preferred.

107 Assistant Professor in Economics (**Reserved for OBC**)

(i) M.A. in Economics or Research qualification/degree in the area of Economics of Education; (ii) Evidence of research interest in Economics of Social Sector Development/Socio-economics/Development economics (iii) Aptitude for multi-disciplinary teaching-learning methods.

Centre for Philosophy

108 Associate Professor (Reserved for SC)

(i) M.A. and Ph.D. in Philosophy; (ii) specialization in Epistemology/Metaphysics/Ethics in Buddhism/Nyaya/Vedanta; (iii) at least 5 years teaching and/or 5 years post doctoral research experience; (iv) excellent publication record. Preference will be given to candidates whose publication record shows ability in more than one area of specialization and/or candidates who have the ability to bring interdisciplinary approach to bear upon the listed areas of specialization.

109 Assistant Professor

(i) M.A. and Ph.D. in Philosophy; (ii) specialization in Logic and/or Comparative Philosophy; (iii) excellent publication record. Preference will be given to candidates whose doctoral work or publication record shows ability in more than one area of specialization and/or candidates who have the ability to bring interdisciplinary approach to bear upon the listed areas of specialization.

Women's Studies Programme

110 Associate Professor (Tenure post upto 31.3.2012) (**Reserved for SC**)

111 Assistant Professor (**Reserved for OBC**)

M.A. in Social Sciences/Humanities; (ii) At least 2 years experience in gender issues

Ph.D. and teaching/research experience will be given additional weightage.

(Specialization common for post No. 110 & 111)

Programme for the Study of Discrimination and Exclusion (PSDE)

112 Professor-cum-Director (**Reserved for ST**)

113 & 114 Associate Professor (Two Posts) (**One reserved for SC and One for PH-HH**)

115, 116 & 117 Assistant Professor (Three Posts) (**One reserved for SC and One for OBC**)

(i) Ph.D./Post Graduate degree in any discipline of Social Science or Law; (ii) Research work and publications in the areas of Discrimination and Exclusion with special reference to Scheduled Castes, Scheduled Tribes and Minorities.

Empirical/Policy-related research in the above areas is desirable.

(Specialization common for post No. 112 to 117)

SCHOOL OF LANGUAGE, LITERATURE AND CULTURE STUDIES

118 **Assistant Professor** in Turkish

(i) Knowledge in Turkish Language, Literature, Culture & Civilization; (ii) M.A./Ph.D. in Persian or Arabic; (iii) Teaching or research experience

119 **Assistant Professor** in Greek

(i) Knowledge in Greek Language, Literature, Culture & Civilization; (ii) M.A./Ph.D. in Greco-Indian Studies; (iii) Teaching or research experience

Centre for French and Francophone Studies

120 **Associate Professor** in French (**Reserved for SC**)
Specialisation in Literature/Translation & Interpretation/ Didactics and Linguistics/Culture and Civilization.

121 **Assistant Professor** in French (**Reserved for SC**)
Specialisation in Culture and Civilization/ Translation and Interpretation Literature/ Didactics/ Linguistics.

122 **Assistant Professor** in French (Tenure post Upto 31.3.2013) (**Reserved for OBC**)

Specialisation in Francophone Studies (Translation Studies)

Centre for Spanish, Portuguese, Italian & Latin American Studies

123 **Professor** in Spanish (**Reserved for SC**)

Postgraduate teaching and experience of research guidance besides consistent published work in Latin American literature and abiding interest in Indo-Hispanic reception studies with thorough knowledge of literary theories/comparative literature/translation studies or specialization in linguistics with special reference to Spain and Ibero-America.

124 **Associate Professor** in Spanish

Postgraduate teaching and experience of research in the area of Hispanic literature(s) or Translation Studies. Thorough knowledge of the Spanish medieval period or the pre-Colombian and colonial period in Latin America or abiding interest in contemporary issues relating to culture studies in the Ibero-American countries.

125 **Assistant Professor** in Portuguese

M.A. in Portuguese or in any Romance Language preferably Spanish or in Humanities with perfect knowledge of Portuguese.

Experience in research/teaching in Iberian or Brazilian Studies; knowledge of Portuguese literature and its culture and civilization.

Centre for Japanese, Korean & North East Asian Studies

126 **Associate Professor** in Japanese

(i) Ph.D. in any one of the following studies from a recognized University (a) Japanese Language and Literature; (b) Japanese Linguistics; (c) Japanese Language and Culture. (ii) Minimum 5 years of experience of teaching Japanese Language and Literature at Degree and post-graduate level.

Specialization in Japanese Literature/Linguistics; Experience of research at Japanese University in Japan; and Contribution to innovative teaching methods or production of teaching material is desirable.

127 **Associate Professor** in Korean (**Reserved for SC**)

(i) M.A. and Ph.D. in any one of the following studies from a recognized University: (a) Korean Language and

Literature; (b) Korean Language/Linguistics; (ii) Knowledge of Hanja and 5 years of teaching experience in Korean language and literature at B.A. and M.A. Level.

Specialization in Korean Literature; and Contribution to innovative teaching methods or production of teaching material is desirable.

128 **Assistant Professor** in Korean

M.A. in Korean Linguistics/Language/Literature.

(i) Minimum 1 year Korean Language Training in Korea; (ii) Experience of teaching Korean Linguistics/Language/Literature at Degree level; (iii) Research experience in Korean Language/Literature at a University in Korea; (iv) Knowledge of Hanja.

Centre for Chinese & South-East Asian Studies

129 **Professor** in Chinese

(i) M.A. in Chinese and Ph.D. in Sinology (ii) Teaching experience in Chinese Language, Literature, Culture and Civilization; (iii) Published works of repute in the area; (iv) Research experience in Chinese universities and institutes.

130 **Assistant Professor** in Chinese (**Reserved for SC**)

M.A. in Chinese Language; Knowledge of Chinese Language, Culture and Civilization; Study in China.

131 **Assistant Professor** in Bahasa Indonesia

(**Reserved for OBC**)

(i) Knowledge in Indonesian Language, Literature, Culture and Civilization; (ii) Published works of repute in the area.

Teaching and research experience at least for five years.

Centre for Linguistics

132 **Professor**

Specialisation in Sociolinguistics/Historical Linguistics.

133 **Associate Professor** in Linguistics (**Reserved for ST**)

Specialization in Language Technology/ Cognitive Linguistics/ Pragmatics/ General linguistics.

Centre for English Studies

134 **Associate Professor** in English

Specialisation in British Literature, especially of 20th Century

135 **Assistant Professor** in English

Specialisation in African Literature/Caribbean Literature/ Canadian Literature

General

- (a) The University reserves the right to:
- offer the post at a level lower than that advertised, depending upon the qualifications, experience and performance of the candidate;
 - draw reserve panel(s) against the possible vacancies in the future;
 - consider the applications received after the last date;

- consider "in-absentia" the candidature of those who may not have applied; or who may have applied but are not able to appear for the interview;
 - relax any of the qualifications/experience at its discretion; and
 - not to fill up any of the advertised positions.
- (b) Qualifications and other conditions applicable as stipulated by the MHRD/UGC regulations from time to time.
- (c) A relaxation of 5% may be provided from 55% to 50% of the marks at the Master's level for the SC/ST/PH category.
- (d) Relaxation in educational qualifications, experience, age, etc. in the case of reserved category candidates will be given as per rules.
- (e) The prescribed essential qualifications are the minimum and the mere possession of the same does not entitle candidates to be called for interview. Where the number of applications received in response to an advertisement is large and it will not be convenient or possible to interview all the candidates, the University, at its discretion, may restrict the number of candidates to a reasonable limit on the basis of qualifications/experience higher than the minimum prescribed in the advertisement.
- (f) Candidates must attach copies of all documents alongwith application in support of their educational qualifications, teaching and research experience; etc.
- (g) (i) Application Form and Bio-Data Form may be obtained free of cost in person from, or by sending a self-addressed, stamped (Rs. 5/-) envelope (23 cm x 10 cm) to **The Section Officer, Recruitment Cell, Room No. 131, Administrative Block, Jawaharlal Nehru University, New Delhi – 110067**, and can also be downloaded from JNU website: www.jnu.ac.in.
(ii) Separate Application Form and Bio-Data Form is required to be filled up for each post.
(iii) **Post No.** and **post applied for** should be clearly indicated on the application form.
(iv) Those already in Govt. service should forward their applications through proper channel.
- (h) The applications should reach the University at the above address **within one month from the date of publication of this advertisement in the Employment News dated 5th September, 2009.**
