Esteemed Professor Kasturirangan,

As you complete today your 5-year term as Chancellor of this institution of higher learning and national importance, on behalf of the entire University community and on my own behalf, I would like to express our deep sense of satisfaction and appreciation for your immense contributions to maintain and take forward JNU's unique character in the realm of changing times and challenges of higher education across the world. We applaud and admire your keen interest in the promotion of teaching and research endeavours of the University, more importantly, in personal meetings with faculty and students in Schools/Centres and interacting with them individually on several occasions during conferences/seminars and at the time of University Court meetings. All of us cherish your inspiring and admirable quality of leadership in conducting the annual Court meetings. Your contribution as Member of Parliament (Rajya Sabha) and JNU Court has been recognized and highly appreciated by the university community.

Needless to say, JNU was fortunate to have an eminent scientist and a visionary like you as Chancellor who combined in him both intellectual and administrative acumen providing purposeful direction. We, as an institution, assure you to continue the legacy of successive leading luminaries to take this University forward, to maintain and improve its standing as an institution of excellence.

Even as you lay down the august office of the Chancellor, we would always count on your valued advice and guidance. I am sure you will continue with your academic and research pursuits and pray for your good health and well-being.

With kind regards,

Yours sincerely,

M. Jagadesh Kumar.
