

GUIDELINES/COURSE OUTLINES FOR ENTRANCE EXAMINATION, JNU-EE-2017-18

Centre for Economic Studies and Planning

M.Phil./Ph.D. programme

*The applicants for the M.Phil./Ph.D. programme will be examined in the topics covered by a standard M.A. Economics programme. These would broadly include Micro-economics; Macro-economics; Economic Development; Indian Economy and Statistical and Mathematical Methods in Economics. The M.Phil. written test will be a combination of multiple choice questions (with negative marking for wrong answers) and short/long/essay questions. The distribution of questions will be in accordance with UGC regulations.*

Direct Ph.D. programme

*The written entrance examination will test candidates on their basic knowledge of Economics (and ability for economic reasoning) and the statistical and mathematical methods used in the discipline. It will also have questions related to their proposed research. The distribution of questions will be in accordance with UGC regulations.*

Encl. Copy of the circular from AR (Admissions)
