11 August 2020

Notice

All the students of the Centre (including those from other Centres/ Schools of the University who have opted for courses offered by CSLG in the Winter Semester 2020) are hereby informed that the deadline for completion of all evaluation requirements for their respective courses (both, mid-semester and end-semester evaluation requirements) has been extended to 15 September 2020.

All students are encouraged to comply with this deadline so that they can move on to devoting their attention to their respective synopses and research.

However, those students who are unable to submit their term papers/ assignments even by this extended deadline will be allowed to provisionally register for the Monsoon semester 2020, subject to their completion of all course requirements once the university resumes normal functioning.
