**Advisory Committee members from JNU have been continuously consulted on various issues for suggestions and advice**

# 17.0. Ranking of HRDC by NAAC

NAAC observations were submitted in March 2012

## NAAC Observation/ Appreciation

- Dynamic and innovative administration with Collective decision making
- Continual internal review of Academics and Administration
- Up-to-date information about ASC activities on the website
- Automated application process
- Open to international academia

NAAC Suggestions/ recommendations	Action taken
Limited guest house facility for Resource person	A new guest house with eight rooms has been constructed
Inadequate number of permanent staff	All the UGC-sanctioned administrative posts have been filled except hostel attendant
Opportunities for organizing need based courses for doctoral, post-doctoral, M.Phil and Research scholars	Need-based courses for fellows are organized by all Schools of JNU, HRDC, JNU provides logistics support to other Schools/Centres of JNU that conducts such courses
Scope for organization of more need based STC	Few applicants for the need based STC as such courses are not required for API Score

**We have taken cognizance of all suggestions/recommendations given by NAAC in 2012, as can be seen from the presented data**

## 18.0. Difficulties faced by HRDC, JNU

- HRDC, JNU always adhered to UGC guidelines, thus did not face any difficulty in fulfilling its objectives
- Less applicants for short-term courses and workshops and Teachers Educator Program
- No mechanism to know the applicability of the knowledge gained by the Faculty trainees at HRDC-JNU on their return to their respective college/university
- We would look forward to UGC for timely release of required funds so that we can conduct courses smoothly
- To make HRDC, JNU disabled friendly by installing elevator in the administrative building

# 19.0. Future Vision of HRDC, JNU

HRDC-JNU visualizes itself as an emerging major centre within the university system, for Innovation, Quality Knowledge Production and Dissemination

## 1. HRDC-JNU proposes to be a major Centre for Teachers Educator Program (TEP):

- a) Orientation program for Teachers of Department of Education in Universities and colleges
- b) Will be conducted in coordination with Zakir Husain Centre for Educational Studies(ZHCES), JNU
- c) The Course structure would include :

- I. **Social Science Perspectives** of Education and Society: An Introduction
- II. **Philosophical perspectives** on education and knowledge systems
- III. **History of school and higher education**: Exploring historical sources of data on education, Indigenous and modern/colonial education, educational debates, Wood's Dispatch and Hunter Commission Reports, National Education, etc.
- IV. **Sociological concerns in education**: Issues of diversity, equity, and exclusion; educational organizations, gender and education; politics and ideology of education
- V. **Human cognition, learning and subjectivity** in diverse cultural-linguistic contexts: Social-Psychological perspectives
- VI. **Self and affective processes in academic** contexts in India
- VII. **Economics of Education**: Issues in human capital theory, skill development and globalization.
- VIII. **Education policy, practices and effects.**
- IX. **Textbook, Curriculum and Pedagogy**: Social, Psychological and Historical Perspectives
- X. **Democracy and Education**
- XI. **Comparative education** and its relevance to the study of national educational systems.
- XII. **Educational Research**: Methods, tools and paradigms

## 19.0. Future Vision of HRDC, JNU Contd.

2. **FKRC (Frontiers of Knowledge Research Centre)** where teachers from across the country could be brought with fellowship to facilitate their on-going research in collaboration with the JNU faculty
3. **Orientation program for the administrators:** Provide training to administrative staff
4. **Short term courses/ Workshops for post doctoral fellows** to be made mandatory for the UGC Kothari fellows, Govt. of India supported post doctoral fellows. This is absolutely essential to train the young post doctoral fellows on teaching methodologies. As these PDF are good in research but need to be trained in teaching methodologies. It is envisaged that this mission would enable to build a strong professional cadre of teachers
5. **To create a self sustaining model for training teachers/ university faculty from private institutions** and the institutions should be given accreditation by UGC only after their faculty members have attended the courses at HRDCs. The private institutions could be charged fees for training their faculty members.
6. **To be recognized as Regional Centre for Capacity Building** in the country as HRDC, JNU has all the capabilities/infrastructure required to discharge the expected functions of RCCB.

Thank you
