Facility of SR/TR

The Inter-Hall-Administration is going to open the facility of Second Roommate (SR) & Third Roommate (TR) facility for P-I & P-II category students who could not avail hostel facility due to paucity of vacant seats in the hostels. The concerned student who needs to avail the facility of SR/TR may get the relevant form/s from the hostel in which s/he desires to avail the facility w.f.f. 05.08.2022.

With regard to the SR TR, the following point should be noted: -

- a) Clause 2.10.2 defines a resident as "resident" means a student who has been allotted a hostel and currently residing in the hostel but shall not include a third roommate or a non-resident or a casual guest.
- b) The facility of Second Roommate and Third Roommate are given for a period of one semester and the same come to end on expiry of semester in which the SR/TR was given and for extension of facility for further period, the concerned students has to apply afresh.
- c) Second Roommate and Third Roommate are arrangements which a student enters with another for the purpose of temporary residence until he/she is formally allotted a seat/room. Therefore, SR/TRs are not formal residents of the hostel where they could be staying.
- d) If SR/TR can not vote, contest, propose or second nominations for hostel level elections.
- e) The status of SR/TR is, that of a guest; the difference is that the guest is not a bonafide student of the University.
- f) Clause 2.10.5 : Where the second room-mate or third room-mate is affected by eviction of the defaulting resident, the second room-mate/third room-mate will be accommodated by the Sr. Warden in other room(s) as may be possible.

This issues with the approval of Competent Authority.
