The main text and the author names are in Times New Roman font, 14 point for the Author names, 12 point for the body of the abstract, and 11 point for the references. Type or paste your text into this file. Please keep the page margins the same as set here, which is 2.5 cm all around. Paragraphs are justified (straight-edged) on both left and right.

Use single-line spacing and leave a line space between paragraphs. This helps readability. If you would like to insert a figure you can do so. If you want, you can wrap the text to flow around the figure. Remember to include a figure caption.

The limit for your abstract is one page. The organizing committee reserves the right to edit abstracts for clarity or correctness of English, but will consult the author if any significant changes are needed.
