F. No.18/IHA/2025

Dated: 02-02-2026

**CIRCULAR**

It has been observed that certain hostel wardens have undertaken unauthorized construction activities (both temporary and permanent) in and around the hostel premises of the University.

The University has, from time to time, issued directives advising all employees to refrain from such activities and to uphold the integrity of common and shared spaces within the University campus. A circular vide F.No. Estate/HAC/2025 has also been issued by the University on 03/12/2025 in this regard.

All wardens who have carried out any such unauthorized constructions (i.e. inside and around warden flats) are hereby directed to remove the same within 48 hours of issuance of this circular. Wardens are further reminded that such unauthorized constructions are strictly prohibited under the House Allotment Rules of the University.

Strict action, including removal from wardenship shall be taken against the violator(s) as per University rules.

This issues with the approval of the Competent Authority.
