NOTICE

EXTENSION OF HOSTEL FACILITY TO THE TERMINAL Ph.D. STUDENTS

As per the Clause 2.8 of the University Hostel Manual, students admitted to the Direct Ph.D., M.Phil./Ph.D. integrated programs are entitled to hostel accommodation for a maximum duration of four / six years respectively from the date of admission.

It has come to the notice of the Competent Authority that despite of giving extension of one semester sympathetically as a special case to the terminal Ph.D. students of 2018, 2019 & 2020 batches for the monsoon semester 2025, many students still have not vacated their hostels; & now again requesting for further extension which is not permissible as per the IHA manual rules cited above.

The matter has been discussed with the Competent Authority and, after considering all facts the Competent Authority has taken a lenient view and decided that the terminal Ph.D. students of 2018, 2019 & 2020 batches may submit their request to the Dean of Students for an extension of hostel facility for a short period [maximum period of one (01) month] by 19/01/2026 with justifiable reason duly signed by their supervisor.

This issues with the approval of the Competent Authority.
