

BIODATA

Dr. Anil Kumar Tripathi
MD, FRCP (London), FRCP (Glasgow), FRCP (Ireland), FAMS, FICP,
FISHTM, FIACM, NIH Fellow (USA), WFH Fellow (UK)

Professor and Head
Department of Clinical Hematology
King George's Medical University
Former Director, Dr. RML Institute of Medical Sciences
Lucknow

Anil Kumar Tripathi

Professor & Head

Department of Clinical Hematology

King George's Medical University

Lucknow INDIA

Father's Name: Sri Rajendra Nath Tripathi

Personal Data:

Born 1958, Married; Three children

Mailing Address:

B-7, Sector J, Aliganj,

Lucknow 226024, U.P.

INDIA.

Phone (R) 91-522-4104488

Mobile: 9839137162, 9335716281

Contents:

1. Educational, Clinical, and Training background	(Pages 5-6)
2. Honours and Awards	(Pages 8-11)
3. Research experience and Publications (Research papers, Patents, Books, PhD mentorship)	(Pages 13-40)
4. Administrative experience and creation of new facilities	(Pages 42-43)
5. Professional achievements (Fellowship, memberships, technical committees,)	(Pages 45-47)
6. Academic achievements (Lectures, thesis, conferences, editor, examiner)	(Pages 49-71)
7. Public lectures, radio/television talks, and social services	(Pages 73-84)
8. Annexures	(Pages 38)

1. Educational, Clinical, and Training background

Educational:

- Recipient of National Merit Scholarship
- Position in state merit list (top 10) in High School and Intermediate board examination U.P. 1972, 1974
- B.Sc. (Honours), Banaras Hindu University Varanasi, India 1976 (**First rank**)
- M.B.B.S., G.S.V.M. Medical College Kanpur, India, 1981. (**First rank and 15 Gold medals**)
- M.D. (Internal Medicine), G.S.V.M. Medical College Kanpur, India, 1985.
- M.N.A.M.S. (I) in Internal Medicine, National Board of Examinations, India, 1987.
- E.C.F.M.G. (USA) 1982.
- Visiting Scientist in Hematology at National Institutes of Health, USA 1989-1991
- Graduate Level course in "Basic Principles of Immunology and Hypersensitivity" at FAES Graduate School at National Institutes of Health, Bethesda, MD, USA, 1989.
- "Radiation Safety in the Laboratory" course at Radiation Safety Branch, National Institutes of Health, and Bethesda, MD, USA. 1989.

Clinical training:

- House officer in Internal Medicine, G.S.V.M. Medical College Kanpur, India, 1982-1983.
- Resident Medical Officer, Department of Medicine, G.S.V.M. Medical College Kanpur, India, 1983-1984
- Demonstrator, Department of Medicine, G.S.V.M. Medical College Kanpur, India, 1984-1985

- Visiting Fellow in Hemato-Oncology at Albert Einstein Medical School, Long Island Jewish Medical Center, and Long Island, NY, USA. 1990
- Visiting Clinician, AIDS Clinic, Division of Infectious Diseases, Hershey Medical Center, University of Pennsylvania, Hershey, USA. 1993
- Specialized training in Hemophilia at Oxford Hemophilia Center, Oxford UK 2001

Teaching experience:

- Experience as Professor since 1999 **(21 years)**
- Experience of teaching undergraduate and postgraduate medical students and undergraduate dental students since 1984 (an experience of **36 years**)
- Professor and Head, Department of Clinical Hematology, K.G.'s Medical University Lucknow since 2011-2019 and 2020---cont.
- Professor, Department of Medicine, K.G.'s Medical University Lucknow, 1999-2011.
- Associate Professor, Department of Medicine, K. G's Medical College Lucknow, 1997-1999.
- Assistant Professor, Department of Medicine, K. G's Medical College Lucknow, 1986-1997
- External Examiner for Ph.D, DM (Clinical Immunology), DM (Clinical Hematology), MD (Medicine), MBBS and BDS at various premier medical colleges and institutions in India.

2. Honours and Awards

Student Scholarships/awards:

- National Merit Scholarship of Government of India, 1972-1981.
- First position in B.Sc. (Honours) at Banaras Hindu University, Varanasi.
- First rank in M.B.B.S., Obtained highest mark in all three professional examinations. 19 Medals (including 15 gold medals) and several other prizes for standing first in all subjects during the M.B.B.S. at G.S.V.M. Medical College Kanpur.
- Student Member of Executive Committee, Kanpur University, 1980-1981.

Fellowships awards:

- Fellow of Royal College of Physicians, Ireland. (**FRCP Ireland**) 2018
- Fellow of Royal College of Physicians, Glasgow. (**FRCP Glasgow**) 2017
- Fellow of Royal College of Physicians, London. (**FRCP London**) 2016
- Fellow of National Academy of Medical Sciences India (**FAMS**) 2012
- Fellow of Indian Society of Hematology and Transfusion Medicine (FISHTM) 2007
- Fellow of Indian Academy of Clinical Medicine (FIACM) 2001
- World Federation of Hemophilia Fellowship Award 2001
- Fellow of Indian College of Physician (FICP) 2000
- Oak Ridge Fellowship in Leukemia Research, Department of Energy USA 1995

Oration awards:

- Dr. VN Khanolkar oration award from National Academy of Medical Sciences India 2018-2019
- Dr. Anoop Tripathi Oration of Allahabad Medical Association, 2017
- Dr. M.P. Mehrotra Oration, Association of Physicians of India UP. 2014

- Dr. Hari Vaishnav Oration , Association of Physicians of India, Delhi Chapter 2008
- Dr. GS Sainani Oration award (Indian Academy of Clinical Medicine) 2007
- Dr. BL Agrawal Oration award (Allahabad Medical Association/IMA) 2007
- Golden Jubilee Outstanding Achievement oration award GSVM Medical College Kanpur 2007
- Dr. PJ Mehta Oration award (Association of Physicians of India) 2006
- Manorama Sapre Oration award (Indian Society of Hematology & Transfusion Medicine) 2005

Professional/research awards/recognitions:

University level awards:

- Award of Excellence at Teachers' day by K.G.'s Medical University Lucknow, 2013
- Vice Chancellor medal for mentor of Best PhD thesis 2013
- Vice Chancellor medal for best paper at Research Show Case 2011

State level Awards:

- UP Ratan Award by All India Conference of Intellectuals. 2018
- "Vishwavidyalae Samman" by Hindi Sansthan, Government of UP for Hindi Book "Anemia:Kuchh Rochak Jankarian". 2016
- Outstanding Physician Award" by Hon'ble Governor, UP. 2016
- Vigyan Gaurav Award by Govt. of UP , Department of Science & Technology (Highest award in science and technology by UP Govt.) 2014
- Vigyan Ratna award by Govt. of UP , Department of Science & Technology, 2009

National Awards/recognition

- UGC expert for evaluation of universities 2020—

- **Adjunct Faculty** in Special Center for System Medicine (SCSM) at Jawaharlal Nehru University, New Delhi. 2021---
- Certificate of Merit by Department of Science & Technology Govt. of India at 8th National Science Film Festival, Guwahati, 2018
- National Award of Department of Science & Technology for outstanding contribution in communication through electronic media, Govt of India, 2016
- Adjudged as Nodal officer of “Outstanding ART center” by Director General, NACO, Govt. of India 2010

International Awards/recognitions:

- Fellow of Royal College of Physicians, Ireland. (**FRCP Ireland**) 2018
- Fellow of Royal College of Physicians, Glasgow. (**FRCP Glasgow**) 2017
- Fellow of Royal College of Physicians, London. (**FRCP London**) 2016
- Best research Paper award at ORCA meeting at Evian, France. Feb 2004
- World Federation of Hemophilia Fellowship Award (Oxford UK) 2001
- Oak Ridge Fellowship in Leukemia Research, Department of Energy USA 1995

Literary/social awards:

- Itthade Millat Conference award 2021 for excellence in Medical services to the community.
- Amrit Lal Nagar award Lucknow 2019
- Marvelous Achiever Award by Marvelous Record Book of India. Lucknow December 15, 2018
- Saraswati Samman by Saraswati Sangeet academy, Lucknow. November 19, 2018
- Tulsi Gaurav Samman by Tulsi Shodh Sansthan, Lucknow. March 24, 2018
- Chief Guest at Hindi Rajbhasha Workshop, National Botanical Research Institute Lucknow. March 28, 2018
- Gaurav Award by “India Watch” TV Chanel, Jan 14, 2017
- Hindi Gaurav Samman by “Shabda Sarita Sanstha Lucknow” at Press Club Lucknow for promoting Hindi. Jan 20, 2017

- Distinguished Physician award by Awadh Sanskriti Manch UP May 2017
- Bhojpuri Gaurav Samman for outstanding achievement in the field of Medical Science, awarded by Akhil Bhartiya Bhojpuri Samaj. 2008

Miscellaneous honours:

- President, Mahamana Mission Lucknow 2019
- Key note speaker at “National Conference on chronic diseases and life style” organized by SKY Institute, Lucknow. March 9, 2016
- Chief Guest at National Science Day function at Indian Institute of Toxicological Research Lucknow, March 3, 2015
- Member of Executive Council, Dr. RML Avadh University Faizabad, nominated by H.E. Governor of UP. (2011-2013)
- Keynote speaker at symposium on "Biochemistry beyond 2000" at Dr. RML University Faizabad, 28 November 1999.

3. Research experience and Publications

(Research papers, Patents, Books, Ph.D mentorship)

Research background:

- Visiting Scientist at Division of Hematology, Center for Biologics Evaluation and Research (FDA), National Institutes of Health, Bethesda, MD. USA 1989-1991
- Visiting Fellow in Division of Monoclonal Antibodies, FDA, National Institutes of Health, Bethesda MD, USA. 1993
- Research Fellow (Leukemogenesis) at CBER, Food and Drug Administration, NIH, Bethesda, MD. USA 1995
- Research activities at KG Medical University Lucknow in Hematology/hematological-oncology and HIV/AIDS since 1989 (30 years)
- Training in GCP (Good Clinical Practice)
- Training in Bio statistics
- Mentor of 7 Ph.D thesis (four already awarded) and co-guide in 2 PhD thesis.
- Investigator/co-investigator in 24 research projects
- Papers published (177)
- Adjunct Faculty in Special Center for System Medicine (SCSM) at Jawaharlal Nehru University, New Delhi. 2021---

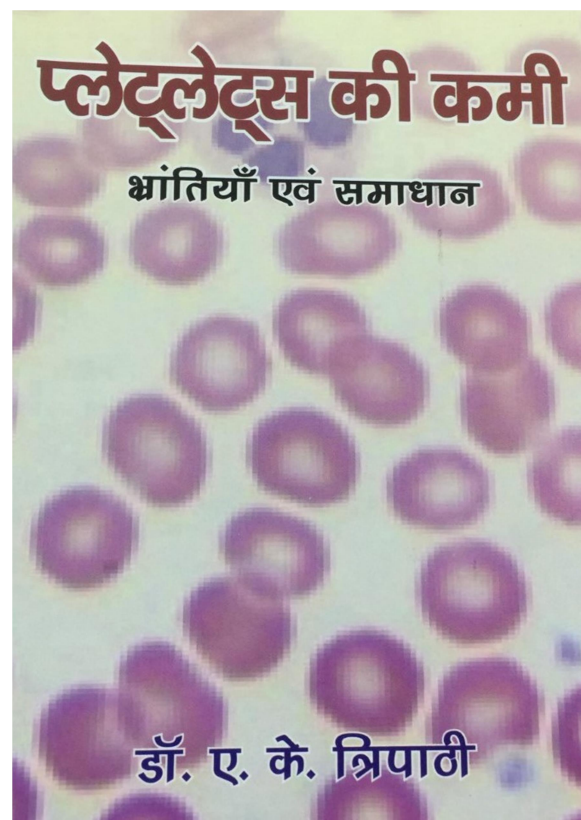

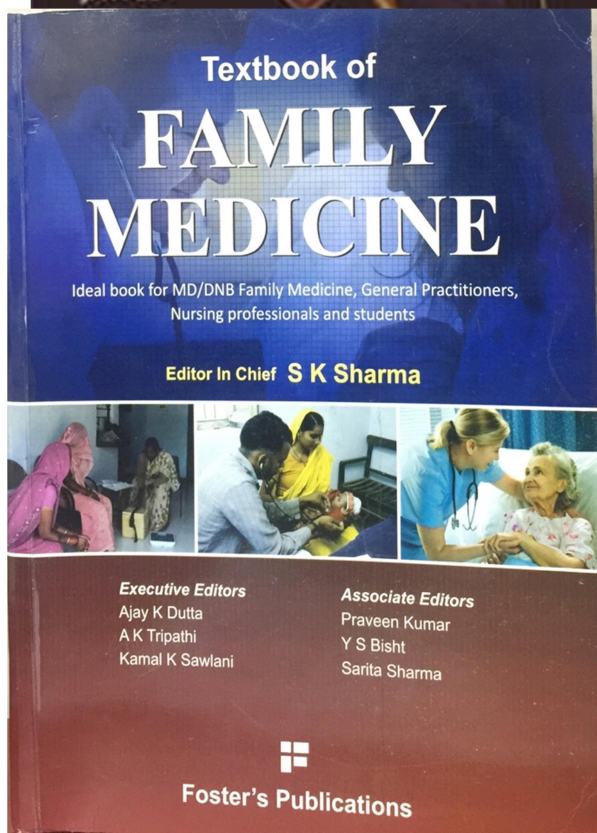

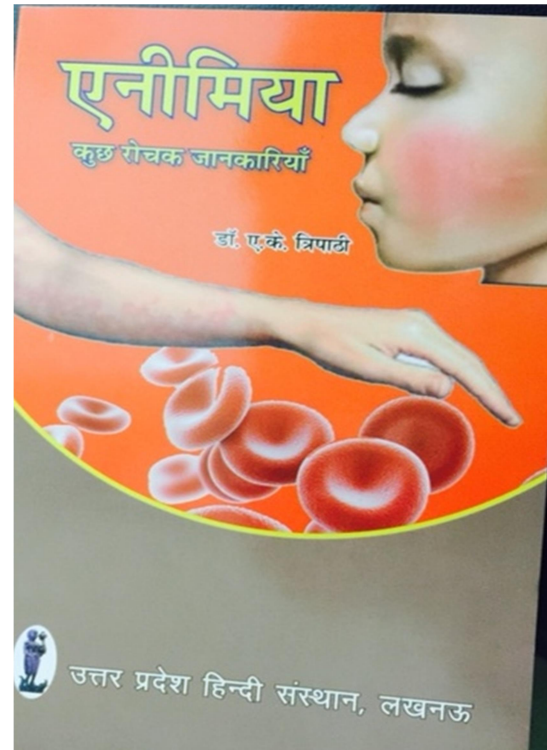

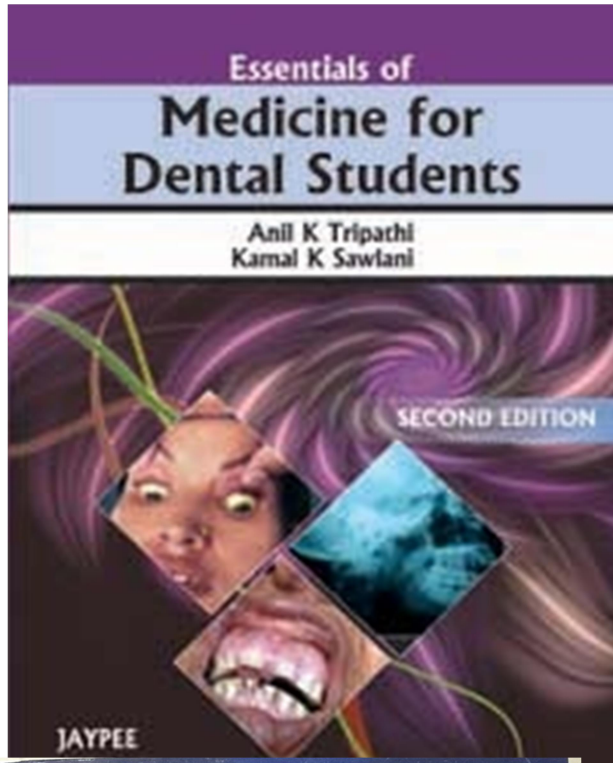

Areas of research:

- Etiopathogenetic, molecular and clinical studies in bone marrow aplasia and dysplasia.
- Cellular and molecular biology of Chronic Myeloid Leukemia
- Molecular and clinical heterogeneity in ITP
- Hematological Abnormalities in HIV/AIDS.

Author of Books and educational films:

1. **“Essentials of Medicine for Dental Students”** by Tripathi AK & Sawlani KK. Ist Edition 2006, IInd Edition 2010, **III Edition 2016**, Jaypee Publishers New Delhi, widely read by students in India and neighbouring countries.
2. **“Text book of Family Medicine”** (as Executive Editor) 2014, Foster publication Lucknow
3. **“Anemia; Kuchh Rochak Jankarian”** a book in Hindi, published by Hindi Sansthan, **Government of Uttar Pradesh 2014**, Awarded by the Govt. of UP (**Vishwa Vidyalayi Samman**).
4. **Documentary film on “Do Boond Zindagi ke”** (wrote script and acted)

5. **Documentary film on anemia “Sawarti Zindagi”** (concept, research and acting), won Certificate of Merit at 8th National Science Film festival of India Guwahati, 20-24 Feb 2018
6. Book in Hindi **“Platelets ki kami; Bhrantiyan evam samadhan”**, released by Sri H.N.Dixit, Hon. Chairman Assembly, UP. 2018

Chapter in books:

1. Chapter in KGMC Book of Clinical Cases. 2015
2. “Hematological Complications in HIV Infection: Cytopenia” in “Fundamentals of Global HIV Medicine” published by Mayo College of Medicine, USA, 2009
3. Chapter in “CML in India” Bombay Hospital Mumbai 2009
4. Chapter in API Text book of Medicine 2010, 2015
5. Chapter in “HIV Medicine” published by IGNOU 2010-2011
6. Chapter “Primary myelofibrosis” in Hematology Today 2012
7. Chapter “Hematological disorders in HIV” in Hematology Today 2012
8. Chapter “Pre ART Care, ART Considerations and Follow-Up with PLHA” in HIV/AIDS in India: A Public Health Approach on Contemporary Trends” published by Global Vision Publishing House, New Delhi. 2015

RESEARCH PROJECTS

S.No.	Project Name	Funding Agency/collaboration	Duration	As	Grant (Rs.)
1.	Regulation of polyamines biosynthesis and role of interferon alpha in CML patients	UPCST Lucknow	1998-01	Principal investigator	3,37,200/-
2.	Diagnostic and prognostic implications of cytogenetic studies in patients with pancytopenia and bone marrow suppression	CSIR New Delhi	1999-02	Principal investigator	3,39,000/-
3.	Cytogenetic studies in patients with Aplastic anemia	UPCST Lucknow	2000-03	Principal investigator	3,21,600/-
4.	Study of the response to antiretroviral therapy in HIV/AIDS patients	UPCST Lucknow	2003-05	Principal investigator	2,14,000/-
5.	To evaluate the role of IM-133 N on clinical and immunological status in patients with HIV/AIDS	Himalaya Drug Company	2003-04	Principal investigator	1,50,000/-
6.	Screening for Cryptosporidium in stool of children hospitalized for diarrhea and of HIV positive patients in a tertiary care centre	KGMU Lucknow	2003	Co-investigator	1,10,000/-
7.	Advantage of using polymerase chain reaction in detection of mycobacteremia in HIV/AIDS patients compared to conventional method	UPCST Lucknow	2005-08	Co-investigator	7,57,200/-
8.	Study of S-phase fraction and Aneuploidy in patients with bone marrow suppression: diagnostic and Prognostic Value	UPCST Lucknow	2006-09	Co-investigator	5,04,000/-
9.	Co-infection of hepatitis C virus with Human Immunodeficiency Virus (HIV): impact on immunological progression of HIV disease	UPCST Lucknow	2006-09	Co-investigator	
10.	To elucidate the genetic variation in HIV coreceptors (CCR5, CXCR 4, CCR 2, and CXCR 10) SDF-1, RANTES and MIP-1	CCMB Hyderabad	2007-	Principal investigator at KGMU	

	alpha and its impact on the epidemiology of the Indian populations			site	
11	A multicentre, cross sectional survey of HIV 1 viral co-receptor tropism in patients infected with clade C HIV 1 at select sites in India	Pfizer Ltd.	2008-	Principal investigator	
12	Microbiological study of G.I. opportunistic infections	SGPGI Lucknow	2008-	Co-investigator	
13	Study of etiological factors in Megaloblastic anemia	UPCST Lucknow	2008-	Principal Investigator	
14	Prevalence of IRIS associated TB in HIV patients on ART.	ICMR	2010-13	Principal investigator	1 SRF and contingency
15	Study of etiology and pathogenetic mechanism of anemia in CML patient on imatinib therapy	Intramural	2010	Principal investigator	
16	Cardiac abnormalities in HIV patients	Intramural	2010	Co-investigator	
17	Understanding of neurodevelopment through diffusion tensor imaging and neuropsychological test in children born to HIV positive mothers-A cross sectional study	DST, Govt of India	2011	Co-investigator	With SGPGI Lucknow
18	Effect of a synthetic compound on leukemic cells of CML patients	Collaborative with CDRI Lucknow	2012	Co-investigator	
19	NO synthase activity in CML	Collaborative with CDRI Lucknow	2012	Co-investigator	
20	FcR polymorphism in patients with ITP	ICMR New Delhi	2014-16	Investigator	
21	Cytokine and metabolizing enzymes gene polymorphisms in acquired aplastic anemia	ICMR New Delhi	2015-18	Principal investigator	17,19,780/-
22	A Phase 3 Randomized, Controlled, Open-Label Study of Selinexor, Bortezomib, and Dexamethasone (SVD) versus Bortezomib and Dexamethasone (Vd) in Patients with Relapsed or Refractory Multiple Myeloma (RRMM)	Clinical Trial: BOSTON-KCP-330-023	2018---	Co-investigator	---
23	A Phase 2b Open-label Study of Selinexor (KPT-330) in atients with Relapsed/ Refractory Diffuse large B-Cell Lymphoma (DLBCL)	Clinical Trial:SADAL-KCP-330-009	2018--	Co-investigator	---
24	Molecular characterization of Th17 cells and their role in acquired aplastic anemia.	ICMR New Delhi	2018--	Investigator	1 SRF
25	PCR restriction enzyme analysis for diagnosis of candidemia:comparision with automated methods, antigen detection, biochemical methods and virulence factors estimation.	SERB EMR/2017/003040	2018-21	Co-investigator	32,11,670/-

Mentor of Ph. D. Theses

1. Regulation of polyamine biosynthesis and the role of interferon in patients with CML (**awarded**)
2. S Phase fraction and aneuploidy in patients with bone marrow aplasia (**Awarded**)
3. Study of oxidative stress in CML (**Awarded**)
4. Study of immune reconstitution inflammatory syndrome associated tuberculosis in HIV infected patients on Anti-retroviral therapy (**Awarded**)
5. Polymorphism study in proinflammatory cytokines gene in patients with ITP (**Awarded**)
6. Cytokine and xenobiotic metabolizing gene polymorphism in aplastic anemia.(**submitted**)
7. Study of vitamin B12, vitamin D and zinc in patients of hematological malignancies.
8. Study of formation of HAMLETS complex and its tumoricidal effect on NOTCH signaling pathway during pathway during cell death on leukemia cell lines (co guide)
9. Association of organochlorines, TNF alpha, MDA and GSH with development of aplastic anemia.(co-guide)

Patents:

Patent filed: Application No. 2567DEL2013

Date of Filing (Prov.): 30.08.2013

Title: Novel aryl naphthyl methanone oxime derivatives for the treatment of hematological malignancies and solid tumors

Inventors: Sabyasachi Sanyal, Atul Kumar, Naibedya Chattopadhyay, Jawahar Lal, Arun Kumar Trivedi, Dipak Datta, Srikanta Kumar Rath, Tahseen Akhtar, Shailendra Kumar Dhar Dwivedi, Manisha Yadav, Bandana Chakravarti, Abhishek Kumar Singh, Jay Sharan Mishra, Nidhi Singh & **Anil Kumar Tripathi**

European Patent Office

Aryl Naphthyl Methanone oxime (s) and process for preparation thereof

Patented 4.4.16

IN/30.8.13/INA DE25672013

United States PCT International application number 16/117,156 on August 18, 2018

Title of invention: “Combination of clofazimine and imatinib for effective therapy of drug-resistant myeloid leukemia.”

4. Administrative experience and creation of new facilities

Establishment of new academic/clinical centers & Administrative responsibilities:

1. **Head of Department Clinical Hematology** at K.G.'s Medical University Lucknow from 2011-2019 and from 25th November 2020 continued...
2. **Director, Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow,** 1st March 2019 to 24th November 2020.
3. **Director, Sanjay Gandhi Post Graduate Institute of Medical Sciences, Lucknow,** 28th November 2019 to 8th February 2020 (additional charge)
4. **Creation of new super specialty department “Department of Clinical Hematology”** at K.G.'s Medical University Lucknow. 2011. In-charge of Hemato-oncology unit in the Department of Medicine, K.G.'s Medical University Lucknow since 1992 and instrumental in creation of a much needed super specialty department **“Department of Clinical Hematology”** in 2011.
5. **Established** a state of art “Center of Excellence for Hemophilia Comprehensive Care” at Department of Clinical Hematology, KGMU Lucknow 2016
6. **Established “Anti-retroviral therapy center”(A.R.T. Center),** a National AIDS Control Organization, Government of India Programme, at K.G.'s Medical

- University Lucknow and was Nodal Officer from 2005 to 2013. The center bagged a **certificate of excellence** from Director General NACO and Secretary, Department of AIDS, Government of India.
7. **Established “Regional NACO Training Institute”** at K.G.’s Medical University Lucknow (since 2006) and was the **Director** of the training institute (2006-2013).
 8. **Faculty Incharge, “Center for Advance Research” K.G.’s Medical University Lucknow** 2014-2016.
 9. **Nodal Officer of State Medical College, Ambedkar nagar, UP,** 2009-2010

Additional responsibilities in the University:

- Member of executive council, King George Medical University Lucknow
- Faculty in charge, Center for Advance Research (Ex)
- Member, University Court
- Vice chairperson, Hematology Board
- Member, Tumour Board
- Member, Institutional Ethics committee (Ex)
- Member, Board of Laboratory Medicine
- Member of Editorial Board, KGMU Text Book of Clinical Case
- Faculty in charge, KGMU MOU cell
- Member secretary, committee for preparing PhD Rules and regulations in KGMU.

5. Professional achievements

(Fellowship, memberships, technical committees)

Positions held in professional associations:

National Bodies / Associations

- President, Indian Society of Hematology & Blood Transfusion 2015-2016
- President, Associations of Physicians of India, UP Chapter 2009-2010
- Vice president, AIDS Society of India 2008-2011
- Secretary, Indian Cancer Society-UP. 2004-2006
- Secretary, Association of Physicians of India-UP. 2005-2007
- Joint secretary, Associations of Physicians of India, UP Chapter 1998-2000.
- Founder Secretary, Indian Society of Hematology & Transfusion Medicine-UP. 2002
- Member of executive committee, Indian Society of Hematology & Transfusion Medicine 2007
- Hon. Consultant, Hemophilia Society of India, Lucknow, affiliated to World Hemophilia Federation. 1998--

Member of technical committees:

- Expert in **University Grant Commission (UGC)** higher level committee for granting approval to universities and for evaluation. 2020---
- Member of a GOI/WHO collaborative project on "Management of hospital waste"
- Member of expert committee on the development of training modules on HIV by UNICEF
- National/State Trainer for HIV/AIDS, UP AIDS Control Society/NACO
- Member of Expert Committee, Council of Science and Technology UP India 2003-2006
- Member of TRG (Technical Resource Group on Anti-retroviral therapy), NACO, Ministry of Health, Govt. of India. 2007-2009
- Member of Institutional Ethics Committee, K.G. Medical University Lucknow 2006-2009
- Member of the co-ordination committee for the M. Phil course in "Translational Health Science" sponsored by DST, Govt. of India
- Vice chairman, Hematology Board, K.G.'s Medical University Lucknow 2014...
- Co-Nodal officer for ICMR Cancer registry in the K.G. Medical University Lucknow.
- Member Secretary, Hemophilia Core committee, Ministry of Health, Govt. of UP. 2010.....
- Member of Research Committee, Dr. RML Institute of Medical Sciences Lucknow 2011--
- Member of Stem Cell Ethics committee, K.G. Medical University Lucknow 2011-
- Member of Institutional Ethics committee, K.G. Medical University Lucknow 2011-2014
- Member of panel for preparation of guidelines for uses of newer oral anticoagulants with Mumbai hematological society. 2012
- Member of ICMR panel for guidelines for MDS 2014 -2018
- Member of National consultative Group on Thalassemia 2014
- Member of Expert Committee, Council of Science and Technology UP India 2013-2016

- Member of “State Blood Services” committee, Uttar Pradesh 2015--
- Member of “National Guidelines for Hemophilia committee” Ministry of Health and Family Welfare, Govt. of India. 2015—
- Chairman, Human Ethics Committee, Central Institute of Medicinal and Aromatic Plants, CSIR, Lucknow 2018-2020

Fellowships:

- Fellow of Royal College of Physicians, Ireland. (**FRCP Ireland**) 2018
- Fellow of Royal College of Physicians, Glasgow. (**FRCP Glasgow**) 2017
- Fellow of Royal College of Physicians, London. (**FRCP London**) 2016
- Fellow of National Academy of Medical Sciences India (**FAMS**) 2012
- Fellow of Indian Society of Hematology and Transfusion Medicine (FISHTM) 2007
- Fellow of Indian Academy of Clinical Medicine (FIACM) 2001
- World Federation of Hemophilia Fellowship Award 2001
- Fellow of Indian College of Physician (FICP) 2000
- Oak Ridge Fellowship in Leukemia Research, Department of Energy USA 1995

Member of Scientific/professional Associations:

- American Society of Hematology (ASH)
- European Hematology Society (EHA)
- International Society of Hematology (ISH)
- Indian Society of Hematology and Blood Transfusion (ISHBT)
- Indian Society of Medical & Paediatric Oncology (ISMPO)
- Indian Association of Cancer Chemotherapists (IACC)
- Indian Cancer Society (ICS)
- International AIDS Society (IAS)
- AIDS Society of India (ASI)
- Indian Immunology Society.(IIS)

- Association of Physicians of India (API)
- Indian Academy of Clinical Medicine (IACM)
- International Society for Heart Research (ISHR)
- American Association for Advancement of Science (AAAS)
- American College of Angiology (ACA)
- Indian Medical Association (IMA)

6. Academic achievements

(Lectures, conferences, editor, examiner)

Editor/Member of Editorial Board:

- Editor-in-chief, Indian Journal of Hematology & Blood Transfusion.(Springer, Indexed in Pubmed) 2010- 2013
- Editor-in-chief, Journal of Internal Medicine of India, an official publication of Association of Physicians of India UP chapter. 2000 -2003
- Member of Editorial Board of “Blood Research”,a publication of Korean Society of Hematology. 2016--
- Member of Advisory Committee, Indian Journal of Hematology & Blood Transfusion.2013--
- Member of Advisory Committee, Journal of Association of Physicians of India
- Associate editor, KGMU Text book of Clinical cases
- Peer reviewer for many reputed medical journals;

J AIDS

Global Journal of Hematology & Blood Transfusion
Indian J Hematology & Blood Transfusion
Journal of Clinical Immunology
Indian J Medical Research
Blood Research

Examiner:

- Ph.D (PGI Chandigarh, AIIMS Delhi, CSIR-CDRI, JNU Delhi, Cuttack Univ, Calicut Univ))
- D.M. (SGPGI Lucknow, AIIMS,PGI Chandigarh)
- M.D. (PGI Chandigarh, AIIMS etc.)
- M.B.B.S.(AIIMS etc.)
- B.D.S.
- M. Phil (Translational Health Sciences

Organization of conferences/workshops:

Organizingchairman/secretary:

- Programme Director, CME on CLL and Lymphoma. March 6, 2021. K.G. Medical University, Lucknow.
- Organizing Chairman, International conference **(ISHBT-European Hematology Association Tutorial 2018)** at Lucknow 16-18 Feb, 2018
- Organizing Chairman, National Hematology Update at KG Medical University Lucknow 5 August 2017
- Organizing Chairman, National Infectious Disease Update at KG Medical University Lucknow. 2-3 April 2016
- Organized Orientation Training on Hemophilia at KG Medical University Lucknow. 18 Sept. 2015

- Organized National Hematology Update at KG Medical University Lucknow. 12 Sept. 2015
- Organized CME on Hematology and State level quiz at KGMU Lucknow August 9, 2014
- Chairman, Scientific committee, Annual Conference of Association of Physicians of India-Up Lucknow 14-15 Dec 2013.
- Organized a State level Hematology quiz under auspices of Indian Society of Hematology & Blood Transfusion May 17, 2013
- International update on CML at KG Medical University, March 25, 2013
- An Update on Thrombocytopenia at CSMMU Lucknow 6 April 2012
- “CML: Cure without BMT?” symposium organized at CSM medical University, March 12, 2011
- “Anemia: Challenges and Newer Perspectives” at CSM Medical University Lucknow August 21, 2010
- “Recent Advances in Hemostatic disorders” at CSM Medical University Lucknow April 2010
- **48th National Conference of Indian Society of Hematology and Transfusion Medicine** Nov. 15-17, 2007 at Lucknow
- Annual meeting of Indian Society of Hematology & Transfusion Medicine UP Chapter Lucknow April 2003
- International Training Workshop on HIV/AIDS, Lucknow, November 2000

Member of the Organizing Committee:

- 52nd Joint Annual Conference of Association of Physicians of India at K.G.'s Medical College Lucknow, India 10-15 January 1997.
- National member of advisory committee, Annual conference of Indian Society of Hematology and Transfusion Medicine, Mumbai. November 2000
- National member of advisory committee, Annual conference of Indian Society of Hematology and Transfusion Medicine, Calicut, Kerala 2002

- Symposium on World AIDS Day, CSM medical University Lucknow, 30 November 2002
- Health Mela at Tanda, Ambedkar nagar (UP) 15 Dec 2002
- “Programme implementation and action plan” UP State AIDS Control Society Lucknow 29 April -1st May 2002
- Symposium on World AIDS Day, KG Medical University Lucknow 30 Nov, 2002
- CME in Hemato-Oncology “Recent advances in NHL” Department of Medicine KG Medical University Lucknow 13th July, 2004
- CME on Recent Advances in Hemostatic Disorders, KG Medical University Lucknow, 16 Sept, 2005
- Symposium on ART in HIV/AIDS, World AIDS Day 1 Dec, 2005
- Training of Medical Officers and ART expert team at Regional ART Training Institute Sept and Oct 2006
- National member of advisory committee, Annual conference of Indian Society of Hematology and Transfusion Medicine, JIPMER, Pondicherry 2008

Training activities:

- National level trainer of experts and medical officers on the management of HIV/AIDS
- Incharge, NACO Regional ART Training Institute, CSM medical University Lucknow
- (Organized more than 24 training programmes on HIV & lectured at around 85 training sessions)
- Trained around 900 paramedical staff of various hospitals in Lucknow on HIVAIDS
- Trainer for physicians on the management of Hemophilia

Conferences attended:

National Conferences:

1. Faculty and Panel expert, Indian Myeloma Congress 2021 at SGPGI Lucknow 23-25 April 2021.
2. Hemophilia: management challenges. Chaired session. Organized by SGPGI Lucknow and National Health Mission UP. January 22, 2021
3. Leukemia and lymphoma update (Essence from ASH 2020) 16-17 January 2021. Online.
4. Lecture on “Pancytopenia” at UP-APICON at Lucknow. 22 Sept 2019

5. Panel expert and coordinator at Young Hematologist Conferenec, SGPGI Lucknow 22 Sept. 2019
6. Chaired a session at Best of EHA meet at Kolkata 24 August, 2019
7. Participated and chaired a session in Best of Lugano Lymphoma meet at Mumbai. 3-4 August 2019.
8. Chaired a session at Mumbai hematology Group meet at Delhi, 12-14 July, 2019
9. Participated in ASH Highlights at Mumabi, 25-27 Jan 2019
10. Chaired a session at conference on “Genomics in Medicine” Lucknow.19.11.2018
11. Participated and chaired a session during “Update on Thalassemia and Sickle cell disease” at Bombay Hospital & Medical Institute, Mumbai. 18.11.2018
12. Lecture on “Management of refractory AIHA” at Annual conference of Indian Society of Hematology and Blood Transfusion, Kochi, 27.10.2018
13. Lecture on “Management of CLL” at Annual conference of API-UP at Varanasi. 06.10.2018
14. Lecture on “Management of Thalassemia” at National Update, KG Medical University Lucknow. 22.09.2018
15. Lecture on “Emerging therapeutic modalities in hematological malignancies” at American College of Physicians-India chapter annual meeting, Lucknow. Sept 1, 2018
16. Chaired a session on “Hemovigilence” at KG Medical University Lucknow, 24th August, 2018.
17. Chaired a session on “Low grade lymphoma” during Best of Lymphoma meeting at Kolkata, 24th June, 2018
18. Panel discussion on “Blood safety; NAT test” at KG Medical University Lucknow. 3rd May, 2018
19. Lecture on “Management of Myeloma” at National Hematology Update, BHU Varanasi. 29th April, 2018
20. Panel discussion on “Status of Hemophilia Care in UP” at Delhi. 17 April 2018
21. Chaired a session during National HIV Congress at Mumbai, 6-8 April, 2018
22. Participated and chaired a session on “Coagulopathy; Lab diagnosis” during National Update on Hemostasis at SGPGI Lucknow. 17 March, 2018

23. Chaired a session on Myeloma, Indian Myeloma Congress, and R&R Hospital Delhi. 10th Feb, 2018
24. Guest lecture “Inhibitors in hemophilia” at Delhi hemophilia society meeting. 20th Jan 2018.
25. Chaired a session on CLL diseases in Annual Conferenec of Indian Society of Hematology at Guwahati, 3rd November, 2017
26. Delivered a lecture on Heavy chain diseases in Annual Conferenec of Indian Society of Hematology at Guwahati, 2nd November, 2017
27. Chaired a session during UPPATHCON, Lucknow 23 Oct 2017
28. Lecture on “IVIg in Hematology; infections” at Mumbai Hematology Group conference, Mumbai 14.10.2017
29. Panelist in session “TFR in CML” at 37th ICON, Delhi. 16 September 2017
30. Chaired a session at National Hematology update, KG Medical University Lucknow 5 August 2017
31. Lecture on “Anemia in Pregnancy” at Lucknow Obs and Gyn Chapter of FOGSI, July 15, 2017
32. Faculty at Best of 14th iCML conference at Mumbai 30 June-2 July 2017
33. Chaired a session and in panel discussion on Hematological Malignancies at National Conference of ICON Lucknow. 26 March, 2017
34. Chaired a session on Leukemia at National CME at Era Medical College Lucknow. 6 March, 2017
35. Lecture on “Bleeding disorders” at RIMACON 2017 Raibareilly. 4 March, 2017
36. Lecture on “Amyloidosis” and chaired sessions during Annual Conference of Indian Society of Hematology & Blood Transfusion Jaipur, 10-13 Nov, 2016
37. Participated in panel discussion and chaired sessions at Myeloma Meeting at PGI Chandigarh, 1-2 Oct 2016
38. Talk on “Approach to thrombocytopenia” at International CME on Hematology at Cuttack. 3-4 Sept. 2016
39. Participated in “Best practices in Hematology”meeting at SGPGI Lucknow. 27 August, 2016

40. Talk in National Hematology Update at K.G. Medical University Lucknow. 20 August 2016
41. Participated in panel discussion and chaired a session in CME on Hemovigilance Programme of India by National Institutes of Biologics, Government of India, at K.G. Medical University Lucknow. 22 August 2016
42. Chaired a session on “Flow cytometry; its clinical use” at K.G. Medical University Lucknow. 12 August 2016.
43. National update on “Mother and Child Hematology” at KMC Mangalore. Chief Guest and Delivered a lecture on “Thrombocytopenia in Pregnancy”. May 15, 2016
44. National Hematology Update at BHU Varanasi. May 1, 2016. Lectures on “ITP” and “Newer Oral Anticoagulants”.
45. National Hemostasis Conference organized by CMC Vellore at Bangalore. 23-24 April, 2016 and delivered a lecture on “Gaining support from Government for Hemophilia Care in UP: A success story”.
46. National Update on Infectious Diseases at KG medical University Lucknow. 2-3 April 2016
47. Key note lecture on “Anemia : A “gift” from modern life style” at National conference organized by SKY Institute, Lucknow. 9 March 2016
48. Chaired a session during International Symposium on “Current trends in Drug Discovery” at CSIR-CDRI Lucknow. Feb 26, 2016
49. Chaired a session and member of panel at ISHBT-EHA Joint Tutorial on Lymphoid Malignancies. Mumbai Feb 29, 2016
50. Chaired a session at National update on Application and advances in Electron Microscopy”Department of Pathology, K.G. Medical University Lucknow. Nov 29, 2015
51. Lecture on “How I treat TTP”at Annual Conference of Indian Society of Hematology & Blood Transfusion. Bangalore Nov 7, 2015
52. Participated in Annual Conference of AIDS society of India. Mumbai Oct 30-31, 2015

53. Lecture on “How to choose initial treatment in Frail CLL patients” at National Hematology Update. Mumbai Oct 18, 2015
54. Lecture on Anemia at “International Hematology Update” at Cuttack India , 20 Sept 2015
55. Orientation programme on Hemophilia at KG Medical University Lucknow. 18 Sept 2015
56. Chaired a session on “Stem cell ethics” at CDSO/DBT sponsored programme at BBD University Lucknow. 16 Sept 2015
57. Chaired a session at National Hematology Update at KG Medical University Lucknow. 12 Sept 2015
58. Penalist in a session on Myeloma at 33rd National ICON meeting at Coimbatore, 6th Sept 2015
59. Delivered a lecture at National Hematology Update JIPMER Pondicherry, April 11, 2015
60. Delivered a lecture at National update on Biotechnology and Societal Benefits. Lucknow, April 8, 2015
61. Chaired a session during National Hematology Update at AIIMS New Delhi, April 2, 2015
62. Panel Discussion on management of Thalassemia at national Update, Command Hospital Lucknow, March 8, 2015
63. Lecture on “What is new about ITP” at National ASH update Calcutta, March 1, 2015
64. Lecture on “What is new about ITP” at National ASH update Bangalore, Feb 14, 2015
65. Chaired a session on CML at Hematological Malignancies (HOPE) Meeting at SGPGI Lucknow 12-13 Dec 2014
66. Delivered a lecture on anemia at “Wellness Global conference” at Kanpur University. 14 November 2014
67. Delivered a lecture at Annual Conference of Indian Society of Hematology & Blood Transfusion, Hyderabad. November 7, 2014

68. Participated and chaired a session and lectured on “Multiple myeloma” during Annual conference of Indian Association of Clinical Medicine at Agra. 11-12 October 2014
69. Participated and chaired a session during ACE: CML meeting at Mumbai 26-27 July 2014
70. Participated as panel member in National Hemophilia Update organized by Christian Medical College Vellore at Bangalore. 5-6 July 2014
71. Chaired session at HIV Congress at Mumbai March 22, 2014
72. Chaired session at Recent advances in the management of Primary Myelofibrosis” SGPGI Lucknow Feb 23, 2014
73. Participated in “Future Advances in Medicine: at KG Medical University Lucknow Feb 11, 2014
74. Chaired sessions at Annual conference of API-UP Lucknow Dec 14, 2013
75. Chaired a session at Annual conference of Indian society of Hospital waste management, KGMU Lucknow. Dec 8, 2013
76. Chaired sessions during National Conference on Fungal Infections. SGPGI Lucknow. Dec 7, 2013
77. Lecture at Annual Conference of Obst & Gyn Society of India UP chapter, Lucknow Dec 1, 2013
78. Chaired a session at Annual conference of Indian Society of Hypertension. Lucknow Nov 16, 2013
79. Chaired a session on ALL during Annual Meeting of Indian Society of Hematology, Mumbai Nov. 9, 2013
80. Chaired a session during Advances in Flowcytometry at SGPGI Lucknow. 20 Sept, 2013
81. Participated as member of National Consultative Group on Thalassemia, Delhi. 10 & 11 August, 2013
82. Chaired a session on PPTCT at National Conference of ISPRB, Lucknow March 24, 2013
83. Lecture on “HIV and TB” at Workshop on TB at RML Institute of medical Sciences, Lucknow March 18, 2013

84. Attended in workshop on Biostatistics at Annual conference of INCLEN, Lucknow March 2, 2013
85. Lecture on Iron Overload/Chaired a session at National Hematology Conference, Bombay Hospital, Mumbai, Jan 23-26, 2013
86. Lecture at “HIV conference” at Mumbai, 5 Jan 2013
87. Hemophilia update. CMC Vellore November 20, 2012
88. Lecture on IRIS at 5th AIDS Society of India conference, Bangalore, November 23, 2012
89. Participated in Update on inherited hemoglobin disorders. Deptt of Pathology, KG Medical University Lucknow November 17, 2012.
90. Moderator in “MDS Symposium” at Annual conference of Indian Society of Hematology and Blood Transfusion, Puri November 9, 2012.
91. Guest lecture “MDS: Recent advances” Dept. of Medicine, KG Medical University Lucknow. October 10, 2012
92. Guest lecture “How I diagnose and manage a case of MDS” at National CME at Medical College Calicut. 16 September 2012
93. Chaired a session “Implication of NAT in blood banking” at KG Medical University Lucknow 4 Sept 2012
94. Chaired a session on “Medical research; Need and how to do” at symposium at CSSMU Lucknow 14 April 2012
95. An Update on thrombocytopenia CSMMU Lucknow 6 April 2012; Lecture on “ITP, intriguing issues”
96. National Hematology Update AIIMS New Delhi 7-8 April 2012; panel discussion on CML: second line TKA
97. National conference on Hemostasis, Bangalore 18 March 2012; Lecture on “Status of hemophilia care in UP”
98. HIV Conference at Mumbai 16-17 March 2012. Lecture on “Predictors of IRIS in HIV”
99. Panel discussion on new oral anticoagulant. Mumbai 10 March 2012
100. National Hematology Conference Mumbai 26-29 Jan 2012; Lecture on Hematological disorder in HIV

101. Annual Conference of Association of Physicians of India –Odisha, 13 Nov, 2011 and delivered lecture on “Acute Leukemia: Approach”
102. Annual Conference of Indian Society of Hematology and Blood Transfusions at PGI Chandigarh, 10-12 November,, 2011 and chaired sessions.
103. National update on Hemophilia Management. HFI Delhi 18 July 2011
104. Panel discussion on the “2nd line TKI in CML” at Best of ASCO meeting at Pune 17 July 2011
105. “Myeloma and renal involvement” chaired session, Lucknow 3 June 2011
106. Lecture “Initiation of ART” at AIDS Conference at MLN Medical College Allahabad 1 May 2011
107. Panel Judge in Poser competition at Association of Physiologists and Pharmacologists of India –UP meeting, CSM medical University Lucknow 22 April 2011
108. “Advances in Management of Hemostatic disorders” participated at Chennai organized by CMC Vellore April 10, 2011
109. Panel discussion on “Anti-microbial resistance” during World Health Day programme organized by CSM medical university & WHO Lucknow April 7, 2011
110. Lecture on “HIV: ART initiation” at National Master trainers’s training programme, STM Kolkata. March 23, 2011
111. National Hematology Update 2011, at AIIMS 26-27 Feb 2011. Lecture on “TTP”
112. Chaired session on CML at ASH update, Jan 16, 2011 Delhi
113. Lecture “HAART and Bone Marrow” at National AIDS Conference, Mumbai Jan 7-8, 2011
114. Lecture “Microangiopathic hemolytic anemia” at National Hematology CME, Bombay Hospital Jan 27-30 , 2011
115. Lecture “Lymphoma and HIV” and chaired a session in National HIV Conference Mumbai, Jan 8-10. 2010
116. Lecture “DIC; recent advances” and chaired sessions during Hematology Update, Bombay Hospital. Jan. 14-16, 2010

117. Chaired a session during “National Myeloma Update” at Mumbai organized by Indian Society of Hematology and Bombay Hospital. May 17, 2009
118. Chaired a session and member of Panel discussion during “Symposium on Hematology for physicians” at Govt. Medical college Chandigarh May 3, 2009
119. Chaired and delivered lecture on “Hemophilia and Myths” on World Hemophilia Day 17 April, 2009 at SIPS Lucknow
120. Chaired a session during “CME on Clinical Aspects of Transfusion Medicine” 17 Jan 2009 CSM Medical University Lucknow
121. Lecture on “Erythropoietin” at National Hematology CME at Bombay Hospital Mumbai 24-26 Jan 2009.
122. Lecture on “Thrombocytopenia in HIV Disease” at National Conference on HIV Therapy, Mumbai 10-11 Jan 2009
123. Delivered a lecture on “HIV and hematological disorder” at ISHTM 2008 Pondicherry Sept.
124. Lecture during “Symposium on MDS” at Bombay Hospital, Mumbai, 26-27 July 2008
125. Attended and delivered lecture in HIV conference 2008 at Mumbai
126. Attended and delivered lecture in APICON 2008 at Cochin
127. Attended and delivered lecture in UPICON 2007 at Varanasi
128. Attended and delivered lecture in IACM 2007 at Amritsar
129. Attended and delivered lecture in ISHTM 2007 at Lucknow
130. Delivered oration lecture in APICON 2007 at Goa Feb 2007
131. Chaired sessions at ISHTM annual conference at Guwahati, Nov. 2006
132. Chaired a scientific session on Hematology APICON 2004 Hyderabad
133. Presented CPC case at APICON 2004 Hyderabad
134. Delivered a lecture on “ Management of CML” during Annual meeting of UP-API, 15-16 Nov, 2003 Kanpur
135. Chaired a scientific session at CME on Hematology at Army Hospital, New Delhi, 14 Nov, 2003
136. Diagnosis of HIV/AIDS: Indian Guidelines. At APICON 2003, 11-15 Jan. BHU

137. Antiretroviral therapy. At HIV Symposium, Command Hospital, Central Command, Lucknow, 12 January 2003.
138. Fungal Infections in immunocompromised host. IMA CME workshop, Lucknow 16 September 2002
139. Annual Conference of Indian Society of Hematology and Transfusion Medicine, Calicut , October 2002
140. Myeloma Conference Tata Memorial Hospital Mumbai, 25-26 Jan 2002.
141. WHO-AIIMS meeting on TB & STI/HIV Control 28-30 Nov 2001.
142. International AIDS Conference India 2000: Chennai 2-5 Nov 2001.
143. Association of Physicians of India – Uttar Pradesh Annual Meeting: Nainital 2001.
144. Participated and chaired "Update session on Haemato-oncology" APICON 2001, New Delhi 20-24 January 2001.
145. Participated in Annual Conference of Association of Physicians of India: Jaipur 2000
146. Participated and delivered a guest lecture on "RBC membrane in health and disease" at 55th Annual conference of Associations of Physicians of India at Jaipur, 21-25 January 2000.
147. A symposium on 'Hemolytic anemia' organized by Delhi Society of Hematology and Army Hospital, Referral and Research, Delhi April 1, 2000. Delivered a talk in the "Seminar on Adolescent Health Care Awareness" at K.G. Medical College Lucknow, 19 Nov. 2000.
148. Participated and delivered a guest lecture on "Interferons" at 54th Annual conference of Associations of Physicians of India at Calcutta, 17-20 January 1999.
149. Delivered a guest lecture "Tumour markers: a critical appraisal" at 18th annual meeting of IMA Association of Medical Specialties at Calcutta, 18-19 Sept. 1999.
150. Delivered keynote address "Cancer Immunotherapy: A Promise for New Millennium" at Dr. RML University Faizabad. 28 Nov. 1999.
151. Participated and delivered a guest lecture at 31st Annual Conference of Indian Pharmacological Society at CDRI Lucknow, 17-20 December 1998.

152. Participated in Annual Conference of Indian Society of Hematology and Blood transfusion at Chennai, 26-28 November 1998.
153. Participated and presented research paper in 53rd Joint Annual Conference of Associations of Physician of India, at Bangalore Medical College Bangalore. 16-21 January 1998.
154. Participated and presented paper in Annual Conference of Indian Society of Hematology and Blood Transfusion, at Calcutta, 19-21 December 1997.
155. Participated in National Hematology Update, Department of Hematology, All India Institute of Medical Sciences, and New Delhi. 6-7 April 1997.
156. Participated in 52nd Joint Annual Conference of Associations of Physician of India, at K.G.'s Medical College Lucknow. 10-15 January 1997.
157. Tripathi AK, Lucio Meilie, Hoffman T: Notch Gene Expression in Human Peripheral Blood Mononuclear Cells. VII National Conference of Indian Society of Oncology and International Symposium on New Perspective in Oncology, March 1- 3 1996, Lucknow.
158. Tripathi AK, Mishra Rakesh, Pant DC: Reversible Bone Marrow Suppression in Typhoid Fever. APICON 1996, Jan 17-21 1996, Kathmandu Nepal.
159. Singh SK, Mishra R, Tripathi AK: Etiopathogenetic and Clinicohaematological Study of Aplastic Anemia.at UPICON 1995, 18-19 Nov. 1995, Lucknow.
160. Tripathi AK, DC Pant, and Rakesh Mishra: Study of Platelet Abnormality in Septicemia. UPICON 1994, BHU, Varanasi.
161. Tripathi AK: Comparative Role of Busulphan and Hydroxyurea in chronic myeloid leukemia at APICON 1993, New Delhi. 23 Jan 1993.
162. Tripathi AK: Diagnosis and Management of HIV Infection. Presented in "AIDS Symposiun" at K.N. Institute of Tech. and I.M.A. Sultanpur. 12 Sept. 1992.
163. Tripathi AK: AIDS Vaccine; Past, Present, and Future. Presented at LLRM Medical College Meerut, U.P. on 14.3.1992.
164. Tripathi AK: Antibody-Dependent Cellular Cytotoxicity and HIV Infection. AIDS Symposium at G.S.V.M. Medical College Kanpur. Sept. 1991.

165. Tripathi AK: Fc Receptors and Antibody-Dependent Cellular Cytotoxicity. at Division of Immunology and Genetics, S.G.P.G.I. Medical Sciences Lucknow. Sept.1991 17
166. Kapoor R, Agarwal CG, Tripathi AK, Ghatak A, and Agarwal V: Erythrocyte membrane protein profile in non-insulin dependent dependent diabetic patients. Annual Conference of Association of Physicians in India held at Pune. January 1988.
167. Jain AK, Agarwal CG, Nath P, Tripathi AK, Ghatak A, and Rastogi AK: Correlation of electron microscopic picture of kidney with patterns of proteinuria in diabetic nephropathy. Annual Conference of Association of Physicians in India held at Pune. January 1988.
168. Agarwal CG, Jain AK, Tripathi AK, Ghatak A, and Rastogi AK: Patterns of proteinuria and prognostic indices in diabetic nephropathy. Annual Conference of Association of Physicians in India held at Pune. January 1988.

International Conferences:

1. Participated in World Congress of Hemophilia at Glasgow, UK 18-24 May, 2018
2. Chaired session at International conference (ISHBT-EHA Tutorial 2018) at Lucknow. Feb.16-18, 2018.
3. Delivered lectures in International SAARC conference on Hemoglobinopathies and Hemophilia. Bangalore Feb 1-2, 2018
4. Participated and chaired session at Japanese Society of Hematology meeting at Yokohama, Japan. Oct 13-15, 2016
5. Participated in Annual conference of European Hematology Association at Copenhagen, Denmark. June 9-12, 2016
6. Delivered a lecture on “Complications in CLL”at International conference of Asian Oncology Society, New Delhi 8-10 April, 2016
7. Presentation of research paper “HIV-1 Nef controls cellular invasion through differential modulation of host proteins” Reshu saxena et al. IAS 2015 Vancouver Canada, 19-22 July 2015

8. European Hematology Association meeting, Vienna Austria June 2015
9. Presented a research paper during American Society of Hematology Conference at San Francisco USA, 6-9 Dec 2014
10. Participated in “Tutorial on Lymphoid Malignancies” by European Hematological Association/ISHBT at TMH, Calcutta. Sept 26-28, 2014
11. Participated in CML Group of Opinion Leaders Summit (CML-GOLS) at Amsterdam. March 7-10, 2014
12. Presented a paper at International CML conference at Estoril Portugal. 26-29 Sept. 2013
13. American Society of Hematology Conference at Atlanta USA, 8-12 Dec 2012 and presented a paper.
14. International symposium on CML. Mumbai 28-29 July 2012
15. World Congress of Hemophilia. Paris 8-12 July 2012
16. International Conference on Hemato-oncology, University of Hong Kong & MD Anderson Cancer Center USA. 23-26 Feb 2012.
17. American Society of Hematology Conference at San Diego USA, 6-9 Dec 2011
18. International Conference on Hemato-oncology, National University of Singapore & MD Anderson Cancer Center USA. At Singapore 18-20 March 2011.
19. International AIDS Society conference, Vienna Austria, 18-23 July 2010
20. International AIDS Society conference, Cape town, S Africa, 19-22 July 2009
21. American Society of Hematology Conference at New Orleans USA, 6-9 Dec 2009
22. International Symposium on Prognostic and Predictive Factors in Cancer Management Dec 15, 2008. CSM Medical University Lucknow
23. American Society of Hematology Conference at San Francisco USA, 6-9 Dec 2008
24. IXth International Congress on Drug Therapy in HIV Infection. Glasgow 9-13 Nov. 2008
25. Attended American Society of Hematology conference at Atlanta USA, 7-10 Dec 2007
26. European Hematology Association meeting at Vienna 7-10 June 2007

27. Attended American Society of Hematology conference at Orlando USA, 9-12 Dec 2006.
28. Attended American Society of Hematology conference at Atlanta USA, 4-8 Dec 2005.
29. Presented and received best paper award in the "Optimizing Research in Anemia in Cancer" meeting at Evian, France 27-29 Feb. 2004
30. Attended American Society of Hematology conference at Atlanta USA, 8-11 Dec 2004.
31. International Conference on HIV Drug Therapy Glasgow UK Nov. 2004
32. Participated in the American Society of Hematology meeting at San Diego California USA 6-9 Dec 2003.
33. Delivered lecture at CML session during the 29th World Congress of International Society of Hematology, Seoul, South Korea, 23-28 April, 2002
34. Delivered lectures at International AIDS India conference, Chennai, November 2001
35. Delivered a talk on "HIV/AIDS: KGMC Experience" at International. Training Workshop on HIV/AIDS. 16 Nov. 2000, Lucknow.
36. Attended and presented paper at 28th World Congress of International Society of Hematology, Toronto, Canada 26-30 August 2000.
37. Paper presentation at International Society of Hematology Congress/EHA, 4-9 July 1998. Amsterdam, Netherlands.
38. Participated in International Cancer Congress, New Delhi Oct 30-Nov.3, 1994.
39. Cardiovascular Toxicity in Aluminium Phosphide Poisoning: Role of I.V. Magnesium Sulphate, at the meeting of International Association for Heart Research at CDRI, Lucknow, INDIA, 2-5 May 1992.
40. Attended 2nd International Congress on AIDS in Asia and Pacific at Ashok International, New Delhi, 8-12 Nov. 1992.
41. Presented paper in 23rd Congress of the International Society of Hematology and the 32nd Annual Meeting of the American Society of Hematology in Boston, MA (U.S.A.), Nov 28-Dec 4, 1990.

42. Targeted Cellular Cytotoxicity and Bispecific Antibodies, at Annapolis Hilton, Annapolis, MD (U.S.A.), Oct 22-25, 1989.
43. A Report of 27 Cases of Snake Poisoning, presented at Europa India International Symposium, Tübingen (Germany), Jan 4-7, 1989.

Supervision of MD Thesis:

1991

- Study of Various Therapeutic Modalities in Chronic Myeloid Leukemia. Study on Haematological Alterations in Lymphoma. Fructosamine in prediction of Glycemic Control in Diabetes Mellitus.

1992

- Pattern of Infections in Haematological Malignancies. Clinico-Haematological and Cytogenetic
- Study in Chronic Myeloid Leukemia. Haematological Alterations in Malignant Disorders

1993

- Study of Platelets in Septicemia.

1994

- Clinico-hematological and Etiological Study of Aplastic Anemia.
- Study of Peripheral Blood and Bone marrow Involvement in Non-Hodgkin's Lymphoma.

1995

- Study of the types of anemia and secondary immunoglobulin deficiency in patients with chronic lymphocytic leukemia and related disorders.
- Study of chromosomal abnormalities in different stages of chronic myeloid leukemia; role of differentiating agents and biologic response modifiers. Ph.D. thesis (1994): Chronobiology of Biological Parameters.

1996

- Utility of Bone Marrow Trepines in Diagnosis and Staging of Lymphomas. To Evaluate the Role of Chemotherapy in Management of Carcinoma cervix.
- Study of Clinical and Immunopathological aspects in HIV/AIDS. Clinical Profile of Human Immunodeficiency Virus (HIV) Disease.
- A study on Bone Marrow Biopsy in Some Hematological Disorders.

1997

- Study of Myelodysplastic Syndromes. Ophthalmic Manifestations in Patients with HIV Infection/AIDS Neurological Manifestations in HIV Disease. Central Nervous System Involvement in Non-Hodgkin Lymphoma.
- Study of Hematological Parameters and Chromosome Abnormalities in Myelodysplasia and Some Chronic Myeloproliferative Disorders.

1998

- Marrow Fibrosis, ALIP and Histochemical Study in Neoplastic Hematological Disorders.

- Evaluation of Marrow Fibrosis in Chronic Myeloproliferative Disorders and Myelodysplastic Syndromes.
- Evaluation of Prognostic Factors in Multiple Myeloma. Study of Some Prognostic Factors and P53 Expression in Primary and Secondary Myelodysplasia, Chronic Myeloproliferative Disorders and Few Neoplastic Hematological Disorders.

1999

- Study of serum calcium in multiple myeloma. A study of hematological abnormalities in acute viral hepatitis.

2000

- A study of thrombocytopenia in pregnancy. Aneuploidy study in chronic myeloid leukemia. Ph.D thesis on "Polyamine Biosynthesis in Hematological Malignancies.
- Current research project: "Regulation of polyamine biosynthesis and role of interferon alpha in chronic myeloid leukemia patients" funded by Council of Science & Technology, UP. 1998-2001.
- "Study of cytogenetic abnormalities in aplastic anemia" funded by Council of Science & Technology, UP. 2000-2003

2001

- Clinical study of Hemophilia
- Study of response to antiretroviral therapy in HIV/AIDS patients

2002

- Clinico hematological study of myelodysplastic syndromes
- Cytogenetic and hematological studies in hematological malignancies including MDS
- Ocular lesions in AIDS

2003

- Comparative response to cyclosporine vs danazol in patients with aplastic anemia
- Study of anemia in elderly patients
- Hematological abnormalities in HIV/AIDS
- Psychiatric morbidity in HIV patients
- A clinicoradiological study of patients of tuberculosis with HIV infection
- Hemostatic status including platelet function in myeloproliferative disorders

2004

- A profile of Microcytic hypochromic anemia

- Clinicohematological evaluation of patients with microcytic hypochromic anemias
- Correlation between CD4 count and absolute lymphocyte count (ALC) in patients with HIV/AIDS.

2005

- Study of prevalence OF HBV, HCV and syphilis co-infection in HIV/AIDS patients.
- Study of prevalence of Paroxysmal Nocturnal hemoglobinuria in patients with bone marrow hypoplasia / aplasia.
- Immunohistochemical differences in malignant lymphoproliferative disorders.

2006

- Comparative study of thalidomide containing and non-thalidomide regimens in multiple myeloma
- Study of platelet abnormalities in HIV/AIDS
- Study on the role of NT-PRO-BNP and troponin I in the detection of anthracyclin induced cardiotoxicity
- A study of prevalence of bacterial isolates in hospitalized patients suffering from AIDS
- A study of suicidal ideation in HIV positive patients

2007

- Efficacy and tolerability of Imatinib in patients with CML
- Bone marrow biopsy in CML
- Microbiological study of oral candidiasis and candida colonization in HIV positive patients.
- Hematological malignancies: diagnosis and correlation with renal, liver functions and HIV status
- Prevalence and characterization of thrombocytopenia during pregnancy in Indian population.

2008

- Evaluation of factors affecting response to imatinib in CML patients
- Study of infections in neutropenic patients
- Prognostic value of bone marrow fibrosis in CML

2009

- Study of thrombocytosis in admitted patients
- Study of endocrinal abnormalities in patients with HIV disease.

2010

- Clinico-epidemiological study of HIV patients seeking admission in the hospital
- Activity of NO synthase in hemopoietic malignancies

2011

- An analytical study of PBS and correlation with cell counter generated RBC parameters
- A clinical hematological study of pancytopenia
- Utility of restriction fragment length polymorphism in carrier detection of Hemophilia A
- Comparative study of preinvasive and invasive lesions of cervix in HIV positive and HIV negative women

2012

- Prevalence of osteoporosis in HIV infected patients
- Patterns of lymphomatous infiltration in bone marrow; morphological and immunophenotypic study.
- Cytomegalovirus co-infection in patients with HIV
- Study of C reactive protein and IL6 in CML
- Study of Cardiovascular abnormalities in HIV patients

2013

- Study of changes in megakaryocytes and platelets in MPN and MDS
- Study of non-adherence to ART

2014

- Thrombophilic state in MPN: a prospective study
- To study association of Tp53 arg 72 polymorphic variant with breast cancer.
- Additional chromosomal abnormalities in CML
- Spectrum of histopathological diagnosis of lymph node biopsies: A descriptive study.
- Morphological and Immunophenotypic pattern in AML.
- A study of megakaryocytic morphology and TPO level in ITP.

2015

- Comparative evaluation of various parameters in conventional flapped vs flapless dental implant.
- Study of clinicohematological, biochemical and outcome in dengue fever.

- Study of clinicohematological and morphological profile in MDS, ph negative MPN and MDS/MPN overlap syndromes.
- Correlation of bone marrow morphology with immunophenotypic findings in CLPD.
- Stem cell markers CD 20, CD 27, and ALDH 1 in malignant lymphomas and reactive hyperplasia lymph nodes.

2016

- Assessment of automated red cell and reticulocyte parameters-utility in anemia categorization.
- Epstein Barr virua in Hodgkin 's disease; A study in a tertiary care center.

2017

- Role of CD 200 in subclassification of B cell CLPD by flow cytometry.
- Analysis of PD L1 expression in Hodgkin's Lymphoma
