

**School of Engineering
Jawaharlal Nehru University**

Academic Calendar

The academics in the monsoon semester of academic year 2021-22 will commence as follows:

S. no	Phases of academic activities	Dates
1	Phase 1	11 th October 2021 to 19 th November 2021
2	1 st Midterm examination	22 nd November 2021 to 30 th November 2021
3	Phase 2	1 st December 2021 to 14 th January 2022
4	2 nd Midterm evaluation	In form of continuous assessment based on academic activities conducted in phase 2
5	End term examinations	19 th January 2022 to 31 st January 2022

Important Points:

1. The last day of teaching in the semester will be 14th of January 2022.
2. The 1st midterm examination will be conducted by the faculty members during their class schedule (timetable) only between the 22nd of November to 30th of November 2021. No separate date sheet for the midterm will be issued.
3. The faculty member will decide a date for the midterm assessment after due consultation with the students.
4. The duration of midterm examination will be of 1 hour.
5. The continuous assessment of students in phase 2 will be in form of assignments, quizzes or any other form of assessment as the faculty may decide.

6. The schedule for the end term examination will be displayed at appropriate time for the faculty and students.
7. The winter semester of the academic year 2021-22 will commence from mid-February 2022.
8. **This may also be an indicative schedule for the schools/centers teaching students of SOE as regards to the MS courses.**

A handwritten signature in black ink, appearing to read 'Varun', written over a diagonal line that slopes upwards from left to right.
