

**CENTRE FOR CANADIAN US & LATIN AMERICAN STUDIES
SCHOOL OF INTERNATIONAL STUDIES**

Course (MA/PhD)	: Ph.D.
Course No.	: AW606N
Course Title	: A Survey of Latin American History
Course Type (Core/Optional)	: Core
Course Teacher	: Dr. Priti Singh
Credits	: 2
Semester	: Monsoon Semester
Contact Hours	: 2 per week

Course Objectives

The objective is to trace the course of Latin American history and identify its key characteristics in order that the student may be able to relate and understand better the present economic and political problems and issues confronting the countries of the region. Latin American intellectual thought and ideas are discussed to help the student have better analysis and trace developments in the Latin American and Caribbean region. Particular countries such as Argentina, Brazil and Chile are discussed to illustrate more general features of South America and Caribbean countries are briefly discussed to highlight their unique history and issues.

Learning Outcomes

On completion of the course, students should understand the diversity and complexity of Latin American cultures and peoples in the backdrop of their history of colonial conquest and independence movements. They should be able to relate the Latin American political concepts such as machismo and populism with the developments in the twentieth century. Students should also be able to understand historical relations of Latin American countries with United States and with India.

Evaluation Methods

Class participation (10%); Sessional work (40%); and End-semester Examination (50%)

Course Content:

1. Land and People

- Geography
- The Indian, Iberian, and African Background
