

JAWAHARLAL NEHRU UNIVERSITY

SCHOOL OF LIFE SCIENCES

(Supported by DBT-BUILDER program)

SUMMER RESEARCH WORKSHOP-2023

ON

Molecules, Metabolism and Biological Systems

1st June to 30th June 2023

The School of Life Sciences, JNU is organizing the annual Summer Research Workshop under the DBT-BUILDER program (C2MOD). Applications are invited from students pursuing undergraduate/post-graduate studies in any branch of Biological Sciences.

The objective of this program is to motivate and stimulate young and creative minds to pursue a career in frontier areas and cutting edge research in Life Sciences.

The Summer Research Workshop would include talks from experts in the field of modern biological sciences and will also impart hands-on experiments. Each trainee will be assigned a mentor in the School of Life Sciences for pursuing research training.

Application Procedure: Application duly forwarded by the respective Head of the Department along with the curriculum-vitae and a short write-up of 500 words on "what interests you in science and how would this summer workshop benefit you" must be uploaded in the google form link provided below.

Google Form Link: <https://forms.gle/fUj2ABjefHkE63PEA>

Apply latest by 30th April 2023, 11:59pm.

- ❖ Selection will be done on the basis of merit.
- ❖ Due preference will be given to the students
 - from backward regions of the country to ensure uniform representations and also from DBT-Star colleges.
 - who have just completed 2nd year undergraduate or 1st year post-graduate degree program
- ❖ Selected students must attend the programme for the entire duration.

Accommodation: No campus accommodation is available; however, outstation candidates may be considered for accommodation, subject to the availability, on payment basis.

NOTE: Only the selected candidates will be informed via e-mail/JNU website by 5th MAY 2023.
