

**School of international studies**  
**Centre for International Trade and Development**  
**M.Phil. in International Trade and Development**  
**(December 2020, updated as of 06-01-2021)**

M.Phil. students are expected to do a 16 credit course work, comprising of two core (compulsory) and two optional courses of 4 credits each, over two semesters. The two optional courses have to be selected in consultation with your assigned supervisor. Please get in touch with CITD office immediately to know your official supervisor for M.Phil.

**Please note that the structure of courses offered for M.Phil. has been modified due to disruptions to the teaching schedule caused by the Covid pandemic.**
